**Letter**

Newport, Oregon  
April 2, 1907.  
Mr. E. S. Larsen, Jr.  
Berkeley, Cal.  
Dear Sir:

Would say in reply to yours of 24th. inst. that I did not observe any trace of the earth-quake here, nor [sic] have I met with anyone who did, either here or any place in our immediate vicinity. The influence of the shock you refer to does not appear to have extended so far north.

Yours truly  
[J. P. E. MATTHEWS]
