Colorado River War Relocation Project Poston, Arizona

February 20, 1943
Captain Phillips
District Engineers Office
751 So. Figueroa
Los Angeles, Calif.
Dear Sir:

I am forwarding the enclosed memorandum to you to use as you see fit. I feel that if one or two of the very simple recommendations made here are followed, the operation of the camouflage factory will be much more successful.

Sincerely yours
W. Wade Head
Project Director.
