MEMO TO: MR. FRANK KUWAHARA LABOR AND EMPLOYMENT CHAIRMAN

FROM: GEORGE R. ONO

A meeting of block representatives and the Fair Practice Board withheld this morning in regard to the acceptance or rejection of the camouflage factory. Block by block roll call was taken with the following results; 10 in favor, 3 opposed, and 2 no representatives. Those blocks who opposed the factory will be given a chance to reconsider, and notices have been sent to the two blocks to send in a written reply on their decisions.

I would like to see you as soon as possible—and please notify me before coming by telephone. Thank you.
