February 24, 1943

**SOUTHERN CALIFORNIA GLASS CO. CAMOUFLAGE NET DIVISION
POSTON, ARIZONA**

February 24, 1943

TO ALL EMPLOYEES

You have been definitely posted as to working hours. The reasonable flexibility of this matter has been abused, and it has become necessary that no one be admitted into the grounds before 8:15 A.M., and work start sharply at 8:30 A.M. and stop sharply at 5:30 P.M.

Any worker finding it necessary to leave his job during working hours must notify the office and sign a pass book for this purpose. Passes for any other reason will have to be in writing from the office.

**ANY VIOLATION WILL BE SUBJECT TO IMMEDIATE
DISMISSALL**
