to: Friends and Admirers of Ernst Berl -

Gentlemen:

Here are copies of two interesting photos sent me by Prof. Dr. Karl Schoenemann, head of the new Ernst Berl Institute of Chemical Technology at Darmstadt. I hope you're as pleased as I am with the appearance of the life size bust of Professor Berl - as well as the bronze plaque, which was mounted in the Institute Library. Drop in to see it next time you're in Darmstadt.

Sincerely,

Sid
