## Memorandum Regarding University Regulation #17 to Clarence A. Dykstra from Robert G. Sproul, September 7, 1949

---

September 7, 1949

VICE PRESIDENT DYKSTRA:

The attached revision of University Regulation #17 has been approved, effective immediately. In addition to the normal distribution of new or revised regulations to chairmen of departments and other administrative officers on the various campuses, it is essential in this case that an extra supply of copies be given to the Dean of Students for immediate distribution to student leaders and others who in his opinion should be informed. For this purpose an extra supply of copies of the revised Regulation #17 is being sent to you under separate cover.

It is also essential that the Dean of Students and other administrative officers involved be notified that all forms bearing reprints of or excerpts from the old Regulation #17 should be withdrawn from use and recalled. Two such forms are the "Request for Approval of Student Organization" (#500-5, '46/8883s/715); and "Request for Approval of Speaker" (#2½m-2, '47/A148s/738). New printings of these forms have been requested and supplies may be ordered from the storehouse.

An effort should be made to have the newly revised regulation in full circulation at the opening of the fall term.

Robert G. Sproul
