CRITIC AIRS HIS VIEW ON F. R. POLICY

Spectacular Expected Of Roosevelt Says Yusuke Tsurumi

TOKYO, March 5—The world may expect something very remarkable and extraordinary from President-Elect Roosevelt soon after inauguration. In the opinion of Yusuke Tsurumi, one of the liberal leaders of the country, Tsurumi returned recently from a tour of the United States and Europe where he came into direct contact with the best informed men.

Among the things which loom high in this connection, are the likelihood of America recognizing Russia, the United States going off the gold standard and the cancellation of war debts. In any event action along these lines will be breath-taking and will be Mr. Roosevelt's trump card to retain his present popularity, Tsurumi said when interviewed this morning. It will, at the same time, be aimed at overcoming the depression.

That, at least is the impression Tsurumi obtained in discussing the future of America with such men as Col. E. M. House, Mr. Newton D. Baker, John W. Davis, Henry Morgenthau and a large number of other outstanding figures in the United States.

It is Mr. Tsurumi's understanding that so far as the Manchurian question is concerned, this will not be among the major issues to confront the Roosevelt administration. However, reports to the contrary notwithstanding, Tsurumi feels that Mr. Roosevelt will not continue the Stimson policies and will adopt an attitude considerably more favorable to this country. He will, moreover, direct things himself, not alone in regard to foreign affairs but in all matters of state. In this task he will be assisted by Col. House, who Mr. Tsurumi has reason to believe, is inclined to be friendly to Japan.

Those desiring to take advantage of this opportunity should make application at once with Mr. Shinoda. The class is being sponsored by the local Fujin Kai.

MEIJI QUINT WINS AGAIN

Downs Japanese All Stars by 33-18 at Los Angeles

(Special to Japanese American News)

LOS ANGELES, March 5—Hideo Nishikawa, high scoring forward of Meiji university, with 12 digits led his team to its third triumph in this city by overcoming the Japanese All Star cagers 33-18 Friday night at the Lincoln High school gym.

At half time, the score read 15-11 in favor of the Nipponese champs, but in the second half the locals were simply outdistanced, being held to meagrely 18 points while Meiji men piled up 18 with ease.

Sam Minami and Shio Iino were high scorers for the losers with 6 and 5, respectively.

50,000 MADE HOMELESS IN JAPANQUAKE

Army, Navy Assist in Relief Work For Victims

TOKYO, March 5—Army, navy, and civilian relief workers today plunged into immediate task of providing shelter for 50,000 persons made homeless by earthquake, tidal waves and fire which devastated the northeastern section of the main Japanese island Friday, leaving 1515 known dead.

The majority of those whose homes were destroyed spent a cold and fearful night in the open or else in unheated and unlighted shelters in the midst of the wreckage left by the receding waves.

Occasional after-shocks revived their terror, and there were harrowing scenes outside of improvised hospitals when thousands sought their lost children or other relatives.

Along the coast, bodies began drifting ashore today. Authorities in the prefecture of Iwate said that at least twenty villages in that prefecture had been wiped out.

At half time, the score read 15-11 in favor of the Nipponese champs, but in the second half the locals were simply outdistanced, being held to meagrely 18 points while Meiji men piled up 18 with ease.

Sam Minami and Shio Iino were high scorers for the losers with 6 and 5, respectively.

Prof. Masuyama Will Teach Yawara to S. G. Youths at Fulton Street Dohyo

Prof. Atsuo Matsuyama, yawara expert and instructor to the San Francisco Police department in this Japanese art of self-defense, will open a course for second-generation fans at his dohyo, 588 Fulton street, it was revealed here Sunday.

Prof. Matsuyama no; only instructs local police department but also the police force of Berkeley,

Palo Alto, San Mateo, and other big cities.

"Yawara, a science allied to Judo, is a splendid means for physical culture as well as self-defense," Prof. Matsuyama said. "I wish to extend yawara to a large circle of second-generation people. For this reason I am about to open a class charging only a minimum of instruction fee."

HENS STAGE COMEBACK TO WIN FROM YMBA 36-32

By HARUO IMURA

ALAMEDA, March 5—The victory flag, flying the colors of the Mudhens and symbolic of their sensational triumph Friday night, fluttered majestically this morning over the local sportsdom with the first peek of the rising sun beyond the eastern horizon.

Staging one of the greatest second-half comebacks ever recorded on the local court, the Alameda Mudhens fought a brilliant battle to down the equally brilliant YMBA cagers of this city 36-32 Friday night at the local high school gymnasium.

Destined to go down ingloriously by the stauncest of their supporters, the red-jerseyed Mudhens snatched away the seeming Buddhist victory in the last two minutes of the thrilling battle and thus retained the Island City Japanese title which they won last year, making it two in a row.

The Student club quartet trailed the Templars from the opening bell with Mas Nakano, Kiro Nogami and Min Nakayama of YMBA swishing the net in successive orders to take a 6-0 lead by the time the game had barely elapsed three minutes.

When the half ended, the score read 17-10 in favor of the Buddhist left cagers, and the Mudhens a sorry sight with defeat staring straight into their faces.

Perhaps, it was the faint talk given during the intermission by Captain Tsuchiya Miki and Manager

Henry Yamamoto, but whatever it was, the Mudhens returned from half time rest with renewed vigor as they launched a furious assault before the crumbling YMBA defense.

And then came the last five minutes of that never-to-be forgotten game when Taizo Imura on a foul shot tied the score to put the Mudhens on equal footing with the Templars for the first time during the hectic evening Friday.

But Toku Iwashashi sneaked under the chin to drop a beautiful backhand shot to give the YMBA baskeeters their final lead for the evening as Sam Miki with one from a foul shot just about sewed up the YMBA's death knell.

Every player on both sides gave all they had, but it was Kyo Nogami of YMBA who stood head and shoulder above others by taking the high point honors for the evening with 13 digits.

When the half ended, the score read 17-10 in favor of the Buddhist left cagers, and the Mudhens a sorry sight with defeat staring straight into their faces.

However, he was closely followed by Little Jo, who tallied 12 and 11, respectively, to lead the attack for the victorious Mudhens.

JO TEIKEN LOSES BOUT TO FILIPINO

Japanese Bantam Is Decisioned in Ten-Round Fight

A blistering exchange through ten furious rounds found Young Tommy, Pilipino bantamweight, coming through a bomb of gloved to win from Jo Teiken of Japan Friday night in the presence of 400 fans in Dreamland Auditorium. And in these times the \$2,335.60 receipts were as remarkable as the sellout gallery.

The Pilipino was superior to his Japanese opponent, but he didn't find a moment's rest as Teiken fought every step of the way. Not only did Little Jo give Young Tommy an interesting thirty minutes of mixing but in the closing rounds Little Jo forced Tommy to bring out everything he had to save himself.

Teiken's shots caught Tommy on the chin as the Japanese seemed the fresher of the two, but Tommy stormed right back to overcome him.

The first four rounds were Tomimy's, the fifth being about even, sixth a shade for Little Jo, the seventh Tomimy's, the eighth even and the ninth and tenth going to Little Jo. The Pilipino made good his free throw and John Hanamura looped a long one from the center of the court as the bell sounded the YMBA's death knell.

Every player on both sides gave all they had, but it was Kyo Nogami of YMBA who stood head and shoulder above others by taking the high point honors for the evening with 13 digits.

When the half ended, the score read 17-10 in favor of the Buddhist left cagers, and the Mudhens a sorry sight with defeat staring straight into their faces.

JAPAN ARMY FORCE INTO JEHOL CITY

Capture of Capital Is 7 Days Before Schedule

(Special to Japanese American News)

WITH THE JAPANESE ARMY AT CHENGTEHFU, Jehol, Mar. 5—Smashing through the last Chinese resistance, Japanese troops under Gen. Tadashi Kawahara occupied Chengtehfu, capital of Jehol, yesterday, practically completing the subjugation of the great province seven days in advance of their program.

The advance column, arriving at the outskirts of the city through an intermittent blizzard, found the city practically undefended, and the imperial forces entered the city proper at 10 a.m. today.

The spectacular end of a mid-winter campaign in which the Nipponese troops suffered bitterly from cold, came as a result of an 80-kilometer forced march from Ping-chuan under heavy equipment. Tanks and armored motor cars rumbled along with the main column through the wind-swept highway. All resistance seemed to have ceased.

Depression Strikes Colony in Salinas

SALINAS, March 5—The nationwide economic depression, plus the present banking moratorium, has put a gloom over the local Japanese business section. In addition, due to the prevailing Sino-Japanese conflict in the Far East, practically no Chinese customers are seen in the Japanese stores here.

FILIPINOS TO STOP LABOR

Wage Dispute Causes Boycott Against Japanese

(Special to Japanese American News)

WATSONVILLE, March 5—About 10 Filipino labor leaders, who are said to control 1500 Filipinos of the Monterey County, met recently and formed a labor union to boycott Japanese farmers on the ground that they have taken initiative in reducing wages. It is reported.

These Filipinos contend that the Japanese farmers have reduced wages to employees in order that they may send money to Japan to subsidize the Manchuria battles. It is stated.

The newly formed labor union is demanding a minimum of 20 cents per hour and \$4 per acre for thinning work.
