

OPINIONS Of Yamadori

THE QUOTA DISPUTE

Considerable animosity has developed over the issue of an immigration quota for Japan, with fists flying and war whoops reverberating between the two opposing camps, headed respectively by Samuel J. Hume, proponent of the measure, and V. B. McClatchy, chief opponent.

The controversy came to a head with the assertion by Mr. McClatchy that the repeal of the exclusion clause, section 13-c, would permit the entry of the alien wives of United States citizens as "non-quota" immigrants as provided in section 4-a of the 1924 immigration act, thus causing an influx of alien illegals to citizenship.

Mr. Hume, who is executive secretary of the Pacific Coast Council on General Reliance, countered with the declaration that second generation marriages will be considered almost entirely within their own group and that there is no fear of "dual race" people bringing in alien wives in any appreciable number.

Aside from the essential merits of the case, a certain amount of belated sentimentality has found its way into the heat and storm of the agitation, mistakes may be made that would cripple the league's usefulness.

Already the Los Angeles district council's demand for an immigration quota for Japan has inspired the powerful California Joint Immigration committee to charge that the Japanese American Citizens league, at this juncture, should observe scrupulous care that they may not be drawn into a controversy in which there is danger of receiving a bad name on its solar planets so far as political expediency is concerned.

For in the heat and storm of the agitation, mistakes may be made that would cripple the league's usefulness.

An influential group within the league has always maintained that (Continued on next page)

Chinese Stage Walk-Out in Far East Meet

Tokyo May Replace Shanghai for '38 Olympics

MANILA, P. I., May 21—Athletic contests in the tenth Far Eastern Olympics were completed amicably, but trouble broke out today in the conference halls of the Far Eastern Athletic Association with dissolution of the organization threatened.

China's delegates walked out of the meeting. The Japanese had pressed for admission of the new State of Manchukuo to membership and desired a change in the constitution making a majority vote instead of unanimous consent necessary to admit new members.

Chinese spokesmen contended the conference was unable to transact official business because Netherlands Indies and French Indo-China were not represented.

Philippine and Japanese delegates agreed that three members were sufficient to amend the constitution. At this the Chinese left the meeting.

The remaining delegates then approved an amendment to allow participation in games, but no membership in the league, to countries receiving a majority vote.

A Japanese motion to dissolve the athletic organization did not come to a vote.

Meanwhile China had invited the nations to hold the 1938 Olympics at Shanghai. The invitation still stood after Chinese withdrawal from the meeting, but Japan invited the delegates and athletes to Tokyo in case China persists in staying out.

Indications were that a new Far East league will be formed without China.

Murdered Japanese May Be Victim Of Imperial Strike, Police Hint

SACRAMENTO, May 21—Belief that the unidentified Japanese body had been tied in a sack and dumped in the San Joaquin river. The theory that the murdered man came from another section of the state was bolstered by the statement of T. Karakawa, secretary of the Japanese association, that no members are missing in any delta town.

The murdered man was about 45 years of age, had black hair streaked with gray, was five feet eight inches in height and of medium weight. On his right arm was tattooed the figure of a samurai warrior.

Activities of JAACL Reported To Convention of Native Sons

UKIAH, May 21—In a report of the California Joint Immigration committee, considered at the state convention of the Native Sons of the Golden West, reference was made to the growth of the Japanese American Citizens league organized five years ago by "Nisei" (second-generation Japanese) for promotion of the interests of Japanese American citizens.

This league, composed of citizens of Japanese ancestry has 21 chapters in the three Pacific coast states, another is being formed in Idaho and affiliation with similar bodies in Hawaii is contemplated according to a statement issued in the form of a news release from the office of the California Joint Immigration committee, an organization headed by V. B. McClatchy, publisher.

S. J. Nine Upsets Stockton, 7 to 3

ALAMEDA Taiiku Nine Loses to Fresno By 11-5 Score

SAN JOSE, May 21—Brilliant pitching by Harry Kanemoto enabled the San Jose Amblis to upset the league-leading Stockton Taiiku 7 to 3 here last Sunday. Kanemoto allowed but six safeties, while his mates collected eight hits off Ted Shirohama, who was on the mound for the Yamato nine.

The Stockton defeat plunged the league leadership into a two-way deadlock as the second half race for the 1934 championship was launched last Sunday. The San Jose Amblis now share first place honors with the Yamato.

Field scores until the eighth frame the visitors finally broke through the run column when Yamaoka, Kawasumi and Nishida each hit a triple—all in a row—for Stockton's three markers.

Score by Innings:
Stockton 000 000 000—3
San Jose 002 002 002—11

Batteries:
Stockton—Shirohama and Tanaka
San Jose—Kanemoto and Edgson

3 Nisei Are Accorded U. C. Grad Honors

BERKELEY, May 21—Honors with graduation were accorded this year to three Japanese students of the 1934 class of the University of California at the 71st commencement exercises Saturday morning in the Greek theatre on the Berkeley campus.

Following are the Japanese students who were accorded honors: College of Agriculture, Hideo Hattimoto, Winters; Biochemistry, Masuko Murayama, San Francisco; Political Science, Thurston Juro Kuroyama, Sacramento.

Yuko Miyasaka, Oakland, and Kabin Uyeyama, Berkeley, received commissions in the Officers' Reserve Corps of the United States Army as first lieutenants in the medical section.

The graduates were guests of the Alumni association at the auspicious banquet held at the Berkeley Hotel. A Japanese air squadron had been ordered out to make a search for the steamer when it failed to arrive on schedule.

Manchukuo Steamer Is Safe at Heiho

HSINKING, May 20—The steamer Chihmen, which reported May 12 that it had been fired on from the Russian frontier, arrived safely today at Heiho, on the River Amur. A Japanese air squadron had been ordered out to make a search for the steamer when it failed to arrive on schedule.

It is stated that in California there are already 3,000 Japanese American voters, 1,000 of whom are in Los Angeles County. At the biennial convention in 1932 a demand for entrance of alien Japanese wives for Nisei men was approved. Recently the Los Angeles District Conference endorsed a demand for open gates for Japanese immigration under quota and will submit the matter for action to the biennial convention at San Francisco in August.

Nisei's Infiltration Hit
The report points out that entrance of alien Japanese wives at speed would encourage renewed importation of picture and handloomed goods which under the Gensetsu Agreement increased annual Japanese imports in California from \$55 in 1908 to \$275 in 1921. Under the 1924 exclusion provision the births decreased to less than 1700 in 1933.

The report points out that the Nisei are individually fine young men and women mentally morally and physically a credit to their race and to California, but that the activities of the League indicate an inclination to develop an unassimilated hyphenated group subverting national interests to racial ambitions.

Sac' to Buddhists To Fete St. Shinran

SACRAMENTO, May 21—The local (Hokuriku) Buddhist temple will celebrate the birthday of St. Shinran, founder of the Shin sect of Buddhism, with an elaborate exercise next Saturday evening, May 26, 8 p. m., in the Buddhist hall.

Appearance of New Volcanic Island
Throws Japan Frontier Nearer Soviet

TOKYO, May 21—Even the forces of nature are expanding the Japanese empire. In fact nature has just thrown the frontiers of Nippon a trifle closer to those of the Soviet Union, the nation which has expressed the keenest anxiety over the spectacle of Imperial Japan on the march.

As the northern tip of the Kurile Islands, which carry Japan's dominion to within 12 miles of Russia's Kamchatka peninsula, a new volcanic island has appeared. When officially discovered it was about 160 feet high and 600 feet in diameter and still growing as the subterranean forces that gave it birth continued to throw up mud and slag.

Most maps of the Kuriles show Shumshu as the northeasternmost of this chain, separated from the Soviet's Cape Lopatka by the 12-mile Kurile Strait. But northeast of Shumshu lies Arato Island, rising 773 feet above sea level, the highest peak of the Kuriles.

The new island emerged from the sea back a mile off Arato's northeastern shore. It got into the official records January 28, when the patrol boat Hahubo Maru passed through the Kurile Strait.

In spite of assurances by Finance Minister Takahashi that he will not resign because of the national emergency requiring continuation of the present administration, observers predict that the cabinet will be forced to quit by the middle of June.

TOKYO, May 21—(United Press)—The Bank of Tokyo reported that the fifth member of Finance Minister Koriyoko Takahashi's staff into its grip today, but fears of a cabinet crisis because of the revelations appeared groundless.

Takahashi remained silent as the public prosecutor called before him Tetsu Okubo, chief of the bureau of banking in the finance ministry. Okubo was the fifth official questioned. He asserted misbehavior of security shares of the bank.

Okubo's silence was the attitude of Japanese reactionary elements. Usually active and protesting when government officials are involved in scandal, the Agrarians and other groups were reported quiet.

Officials disclosed reports that members of the cabinet had been assigned extra guards because of the revelations and the apprehension of reactionary demonstrations.

Observers believed Veteran Takahashi will not resign his cabinet post unless one or more of his subordinates are convicted.

9 Finalists to Vie in Contest Piano Test Will Be Held May 23rd at Auditorium

Nine Japanese girls will enter the finale of the city-wide piano contest Wednesday night, May 23, at the Municipal Auditorium. The contest is sponsored annually by the Civic Musical and many Japanese have always been among the finalists.

Yasuko Takahara, one of the contestants, will appear on Thursday, May 24, 7 p. m., at a recital of the society to be held at the Park Hotel. At 3 p. m. the same afternoon she will render piano recitals at the city party to be given in honor of Mrs. Shu Tomii, wife of the consul-general, and Mrs. Kinoko Maer, wife of the new consul.

Yamashiro to Head Hawaiian Democrats

HONOLULU, May 21—Andy Yamashiro, a member of the Territorial House of Representatives, was elected president of the Japanese Democratic club for 1934 at its annual meeting held at the Thomas Jefferson club. The club has a membership of 400 citizens of Japanese ancestry. Other officers elected:

First vice-president, Edward N. Townsend; second vice-president, Thomas B. Kamikata; secretary, James K. Shikido; treasurer, Kamehameha Nishimura; and auditor, Benry Oshima and K. Marakami.

Y. P. Church Inducts New-Term Officers

An impressive service to install new officers, followed by a reception for new members, marked the weekly devotional meeting of the local Japanese Young People's Union church Sunday evening at the Sturge Memorial house, 1516 Post street.

The sermon of the evening, "Piercing with Jesus," was delivered by Dr. E. A. Sturge, Dave Takano, church deacon, officiated at the installation ceremonies.

The new officers inducted were chairman, Fred Hoshiyama; and treasurer, Minoru Endo.

During social hour, Dorothy Fujita acted as chairman. Among those who entertained were the Commodore boys, who sang; Eva Lee, who played a piano selection; and the U. C. and Polytechnic High school students, who sang their respective school songs.

Bureau Chief Okubo Quizzed Regarding Bribe Charges

TOKYO, May 21—(United Press)—The formation of a "prevaricator cabinet" headed by the veteran cabinet-maker Gen. Kamekida Ueda, governor-general of Korea, was predicted in political circles today in the event Gen. Makoto Saito's cabinet collapses as the result of Taiwan bank scandal now attracting nationwide attention.

In spite of assurances by Finance Minister Takahashi that he will not resign because of the national emergency requiring continuation of the present administration, observers predict that the cabinet will be forced to quit by the middle of June.

175 Hear Talk In S. J. Temple

Love of Beauty Held Japan's Virtue

SAN JOSE, May 21—Approximately 175 young Buddhists from San Jose, San Martin, Mt. View and Palo Alto, augmented by some 20 San Jose Epworth leaguers, heard Samuel Lewis of San Francisco give the local Buddhist temple Friday evening.

In his address Mr. Lewis brought out that Japan as a nation has two important contributions to offer to America: 1. An education of nature, such as witnessed in the reverence paid to the cherry and wisteria blossoms, 2. Flower arrangements and tea ceremony.

The speaker also pointed out that Buddhism has three outstanding things to present for America's spiritual development: 1. Practical philosophy applicable to life. 2. Developing of an attitude of profound reverence. 3. Practice of meditation, a trait typically true of the Japanese.

Following the service, there was an open forum on second generation problems under the chairmanship of Paul Sawabe.

5 Stanford Students Will Be Selected for Tokyo Conference

STANFORD UNIVERSITY, May 21—Five Stanford student delegates will represent their university at the American-Japanese Student Conference, to be held in Tokyo, July 19-26. The purpose of the conference is to effect international cooperation between the United States and Japan and to guarantee world peace.

Saito's Cabinet Is Old Men's Cabinet

The Saito Cabinet is nick-named the old men's cabinet, but among the State Ministers there is Mr. Fumio Goto, Minister of Agriculture and Forestry, who represents the younger generation. He was appointed to the office at the age of 48.

Since he became a government official, he has made rapid advance, and his ability and personality became highly recognized. But during his school days he was not at all bright. In the Fifth Higher school in Kumamoto, he spent more time drinking sake than in studying, and he graduated from the school with his name was third from the end. At the Tokyo Imperial University also, he was not a bright student, and nobody ever dreamed that he would become a great man. But he had one ambition and that was to pass the higher civil service examination with honors. He succeeded in passing the examination with the highest mark.

Following the conference, the student delegates will be taken on a tour of Korea and Manchukuo. The meeting is sponsored by the Japanese Student English Federation and supported by Rotary, Y. M.C.A., Y. W.C.A. and the Japan Culture Association.

Two Japanese students—Toshio Takami of Keio University and Haruo Endo of Waseda University—visited the Stanford campus last week-end in the interests of the forthcoming conference.

STOCKTON, May 21—The Stockton Japanese Language school will hold its commencement exercises at the Asahi hall on June 17. It was decided at an executive session of the gakuken held May 17. The summer session this year will be conducted from June 18. Among the subjects to be studied at the summer session include writing, history, geography, reading and handwork.

Strong moral and material support for the Japanese American Citizens' league in its endeavor to develop good citizens was advocated by Jesuitaro Koike, influential San Francisco merchant and former president of the Japanese Association of America.

In an address delivered over KT-AB Sunday evening, Mr. Koike declared that the forthcoming national convention of the Citizens' league will be convened amid the highest of aspirations in an effort

to inculcate the virtues of loyalty and a sense of civic responsibility among the rising generation of New Americans.

The address was sponsored by the Japanese American News as part of its weekly radio broadcast. Other numbers on the program included a piano selection by Miss Minko Takahashi of Berkeley, a vocal solo by Jack Kawamura of Walnut Grove, Japanese American News broadcast, Nihonjinmachi sketch, and popular Japanese melodies.
