AIR MAIL
FOR PERSONAL ATTENTION

Mr. Dillon S. Myer
Director
War Relocation Authority
Barr Building
Washington (25), D. C.

Dear Mr. Myer:

Reference is made to my letter of November 14, 1944, listing three men who were killed in action and stating that a Memorial Service would be held on November 26th.

Servicemen

Quite a large group of Nisei will be returning to the Center that week after graduation from the Japanese Language School at Fort Snelling. I understand that they will have to leave the Center the 24th or 25th. In order that they may be present at the service it has been decided to have the Memorial Service on Wednesday, November 22nd, instead of November 26th.

Please add the two following names to the list of those killed in action:

Staff Sgt. Peter A. Masaoka, killed in action in France
November 3rd; son of Mr. and Mrs. Harry U. Masaoka, 6H-8B,
Amache, Colorado.

Cpl. Tadashi T. Takeuchi, killed in action in France
October 30th; son of Mr. and Mrs. Kametaro Takeuchi, 9E-1F,
Amache, Colorado.

Sincerely yours,

James G. Lindley
Project Director
