This day before Com.<sup>rs</sup> Alpheus Felch, came José Ramon Mesa, a witness in behalf of claimant Joshua S. Brackett N<sup>o</sup> 233, who after being duly sworn deposed as follows; The Secretary Mr. Fisher acted as interpreter.

Deposition

of  
José Ramon Mesa

Questions by M.<sup>r</sup> Spear, attorney for the claimant.

1<sup>st</sup> Question. What are your name, age & place of residence?

Answer. My name is José Ramon Mesa, my age is twenty nine years and I reside in the County of Contra Costa in California

2<sup>nd</sup> Question. Look on the paper now here exhibited to you purporting to be a grant by governor Micheltorena to José Ramon Mesa and marked "Exhibit N<sup>o</sup> 1" with the initials "A. F." and annexed to this Deposition & state whether you recognise the document & if so what it is?

Answer. I cannot read or write but I know that this paper is the title to my Rancho. I know that Micheltorena & also Jimeno signed this paper. They signed it in my presence.

(The witness pointed out the signature of each on the document.)

3<sup>rd</sup> Question. State what you know about the occupation & improvement of the Rancho named in the grant

Answer. The same year when the grant

and called "Soulajulle"?

Answer. The same year when the grant was made to me, I settled on this land, built a house & lived in it, — put some cattle & horses on the place & built a corral & enclosed & cultivated some of the ground & made a garden, planted some fruit trees and grape vines. I think I planted something like two hundred fruit trees there at that time. I lived on it about four years from the time I first settled on it, after which I retired to Sonoma in consequence of sickness, & left my brother on the place occupying it for me; when my brother left the place, another man occupied it for me.

During all this time we had some men in our employment living on said Rancho.

It was so occupied up to the time I sold it; I sold the greater part of it to Vasquez & the remainder to some Americans.

4<sup>th</sup> Question. What are the boundaries of the Rancho above named?

Answer. It is bounded on one side by the lands of the Rancho known by the name of "Laguna de San Antonio," on one side by the land known by the name of Nicacio & on another side by the boundary of the lands of Juan Martin. There is a small creek near the house of permanent water. There is also a water hole near where the house stood.

5<sup>th</sup> Question. Did you ever receive juridical possession of the property?

Answer. I never did the same year when I was about getting juridical possession the Americans took possession of the country.

6<sup>th</sup> Question. Have you any interest at the present time in the land.

Answer. I have not.

7<sup>th</sup> Question. Did you ever apply for juridical possession of the land? if nay, why not?

Answer. I never did apply for it because I was afflicted with a sore leg for eleven years, so that I could not move and did not get well until about two years ago.

ago.  
8<sup>th</sup> Question. What country is the said Rancho situated?  
Answer. I do not know in what country it is. It was in the jurisdiction of San Rafael at that time.

James Hawes.

I am fifty eight years of age and reside in Marin County.

2<sup>nd</sup> Question. Are you acquainted with the Rancho called Soulapulle?

Answer. I am acquainted with it;

I lived eight years about half a mile of it. I know of Jose Ramon Mesa lived on said place about two years he had a house, corrals & cattle there & when he left the place his brother took possession & after having lived there about twelve months they sold out & left. Ramon Mesa first settled there about the year 1845.

3<sup>rd</sup> Question. Look on the map now shown you which is a part of the Expediente filed in the case & marked "B" and state whether the natural objects represented on said map as the boundaries of said Rancho are so plainly designated that a survey could locate the land.

Answer. There is a creek running right through the Rancho & empties into Tomales Bay. The said tract of land lies between the region of country

The said tract of land lies between the region of country  
called Nicacio & the Laguna San Antonio and that  
the line dividing the Rancho from the lands of John  
Martin has been settled by a justice of the peace.

Questions by Mr. Greenhow.

1<sup>st</sup> Question. How long did Jose Ramon Mesa live upon  
the land himself?

Ans. He lived there about twelve  
months, it might be a little more, he left the place before  
the Americans took possession of the country, his brother then  
lived on it for eighteen months when he left, since which  
time no one has lived on it.

No person to my knowledge has pretended to use it  
in any way since that time.

Re-examined by Claimant

1<sup>st</sup> Question. Do you know whether Ramon Mesa by  
himself and brother occupied said Rancho until he sold  
it to the present claimants?

Answer. They did so occupy it, by having  
cattle on it & the first year they cultivated a part of it, af-  
ter Ramon Mesa's brother left the place as I had before  
stated they never worked or lived on said place but  
they kept some horses there.

Americans took possession of the country.

-ession of the country?

Ans. It was either in the year 1846  
or 1847, I don't remember which.

4<sup>th</sup> Question. You state that Ramon Mesa settled on  
said place in the year 1845, that he lived there about one  
year & that then his brother took possession & lived there eighteen  
months, will you now state whether you are clear in your  
recollection that Ramon & his brother occupied the place  
for two years & a half altogether.

Ans. Yes somewhere thereabouts.

Question by Mr. Greenhow.

1<sup>st</sup> Quest.

8  
1<sup>st</sup> Quest. Are you certain that neither Ramon Mesa nor his brother, nor any other person acting under them lived on this land, at the time when the Americans took possession of this country?

Ans. No they did not, they had left before that

The Citizen José Ramon Mesa a native of this Department & resident of the jurisdiction of Sonoma before your Excellency respectfully & in due form of law, say that since last year I addressed to your Excellency a petition soliciting a tract of land known by the name of "Soulajulle" in the vicinity of the ex-mission of San Rafael & as said communication has doubtlessly been mislaid; I am now compelled to renew my application to the generosity of your Excellency to the end that in view of the report, I herewith annex of the person in charge of said establishment

Wherefore I humbly beseech that your Excellency will deign accede to my request by which I shall receive favor & justice making the necessary oath &c.

To his honor the Governor.

The only information which could have been asked, must have been from the administrator of San Rafael who has already given his opinion as is evidenced by the certificate which the interested party herewith annexed, all of which being favorable and the land vacant, a decree for a provisional grant may be made on these very proceedings, whilst the secretary concludes the matter, which your Excellency desires to send to Mexico by the Schooner California.

Nevertheless Your Excellency's superior disposition of it will be deemed the most proper.

That your Petitioner on the

and for the description of the land and his title  
therein, he refers specially to his Petition & the

That the Transcript was filed in this Court  
on 7th day of Novr 1855 and Notice of appeal was  
served on the Dist Atty and filed with the Clerk on  
the 22nd day of December 1855.

Your Petitioner therefore prays  
this Honorable Court for a reversal of the decision of  
the Board and that his title may be confirmed

In this case there is an error, the petition should be in for 12 square miles, and the opinion of the judge conforms as asked for to wit 12 square miles.

The deed among the papers shows that acreage is only entitled to a piece 2 miles wide and four miles long making 8 square miles. This error should be corrected on the deed.
