On this day before Com. Heland Hall came Jose Castro a witness in behalf of the claimant Jose Maria Sanchez petition No. 132 and was duly sworn his evidence being interpreted by the Secretary -
The U. S. Apostolic Law Agent was present.
In answer to inquiries by Counsel for the claimant the witness testified as follows

My name is Jose Castro, my age is forty four years and I reside in Monterey.
I know the Rancho called Lomeros Muertas.
It is situated in the County of Monterey about one League from San Juan Bautista. It was granted to Jose Antonio Castro about the years 1839 or 1840 as I think within a few days after the grant was made he built a house on the land put cattle on it and cultivated it. He lived on it from that time for two or three years. Jose Maria Sanchez succeeded him in the occupancy and he is occupying it now having continued in the occupation of it from the time Castro left it. Said Castro jointly with two or three of his sons sold the land to Sanchez. I had knowledge of the making of the grant at the time it was made. I am acquainted with the hand writing and signatures of Juan B. Alvarado and Manuel Jimeno. A paper is now shown me purporting to be a grant to Jose Antonio Castro dated 16 August 1842 and is hereto attached marked H. H. No. 1. The signatures of Juan Alvarado and Jimeno on said paper I believe to be genuine.

I Jose Antonio Castro commissi
oned Captain of the Company of Monterey Native of
the Town of Leonora and resident of the Pueblo of
San de Castro of this Department, with the due respe
ct to your Honor sheewith, that having for seventeen
years served the Nation in the Militia; being burden
ed with a family of Eighteen Children and being as
property two hundred head of Sheep and forty head
of large Cattle, not having a suitable place for the
increase and protection of this costly property for the
support of my numerous family I solicited of your
Honor the Sitio de las Lomas Muertas to the East of
the "Arroyo" creek of San Benito in front of the Pueblo
of San Juan de Castro which (Sitio) place was
granted to the Citizen Jose Ma Covarrubias three years
ago, who in such time has not occupied it - In witness
where of and for that which I have represented, I
find myself compelled to solicit and denounce it
as Vacant.

Wherefore I humbly beseech your Honor will deign
grant me such Land which may contain little more
than One and a half Square leagues. I solemnly
swearing this not to be done in maleco and all that
is necessary.

Monterey August 8th 1843

Let the J Judge of San Juan report whether the
denunciation which is made of his place is legal
whether the J Covarrubias has or has had property
upon it, whether he has built a house upon it and

and whether he knows the reasons why he neither inhabits upon it nor cultivates it.

(Signed) Estrada

Monterey August 8th 1842

The denunciation made on this petition by D. Antonio Castero is legal on account of the Juncal which he solicits being found to be vacant. D. Jose Ma. Covarrubias never has had at any time nor has he at present on the request to place any property whatsoever much less he built a house or occupied it in any manner whatever. I do not know the reasons he has and therefore I do not explain them. This is all I have to report on the matter and in compliance with that which is ordered by this Prefect.

The petition in this case was originally filed in the name of Jose Maria Sanchez but it having been made to appear to the satisfaction of this Commission that the said Jose Maria had since the filing of his said petition departed this life, and that the said petitioners are his children and heirs, to the hearing and submission of this case were substituted on the record in the place and stead of their deceased father: their heirship to the said deceased Jose Maria having been established by satisfactory proof.

The evidence upon which the petitioners rely for confirmation of their claim consists - First, of an original grant duly proved to be genuine, made by Governor Alvarado to one Jose Antonio Castro and which bears date the 16th of August 1842. 3^dly A deed of conveyance from the said Jose Antonio Castro and his two sons Bantestee and Mariano Castro to the said Jose Maria Sanchez deceased for the said place called "Someras Mueñas" which deed is proved to have been executed in conformity with the laws then in force and bears date the 8th day of September A.D. 1844 -

There is no proof that any approval was ever made by the Departmental Assembly and no proof that any judicial possession was ever given.
 It is proved by the deposition of Jose Castro, that Jose Antonio Castro, the original grantee within a few days after the receipt of the grant built a house on the land that he put cattle on it, cultivated it and that he lived upon it until he sold it to Sanchez and that he succeeded him in the occupancy of the place.
 I think this proof shows a substantial compliance with the conditions of the law.

The Grant defines the boundaries of the land granted with more than usual accuracy and the third condition of the grant defines the quantity granted to be one and a half square leagues as laid down on the map - By reference to the map which is filed as evidence in the case, it will be found that the

29

boundaries as there delineated correspond with the
calls in the grant and the scale of bars annexed
to the Map when applied to the same shows that
the limits as there laid down do not contain
more than the quantity granted -

Transcript No. 132.

TO THE HON. ISAAC S. K. OGIER, JUDGE :

The Petition of Pacificus Ord, a resident of said City, County, and State, Attorney of the United States for the Southern District of California, who petitions in this behalf for the United States, and being present here in Court, in the name and behalf of the United States, represents as follows: That heretofore, to wit: on or about the 30th day of March A. D. 1852, José Maria Sanchez

presented a petition to the Commissioners to ascertain and settle the private land claims in the State of California, when sitting as a Board, claiming a tract of land called *San José Lomeros Muertos* situate in the County of Monterey State of California, which said petition is referred to for a description of the land claimed, a copy of which appears in the transcript hereafter referred to. That thereafter, to wit: on or about the 14th day of March A. D. 1854, the said Commissioners confirmed, by final decision, the said claim of said petitioner. That thereafter, to wit: on or about the 8th day of November A. D. 1854, a duly certified transcript of the proceedings and decision of the said Commissioners in said cause, and the papers and evidence on which the said decision was founded, was filed in the Office of the Clerk of the District Court of the United States for the Southern District of California, and marked No. 132; reference to which it is prayed may be had and made part of this petition. That on or about the 30th day of October A. D. 1854, the Honorable Caleb Cushing, Attorney-General of the United States, received a duly certified duplicate of said transcript of the proceedings and decision of said Commissioners in said cause, and the papers and

evidence on which said decision was founded. That thereafter, to wit:
on ^{or about} the 27th day of February — A. D. 1855, the said
Attorney-General of the United States filed, or caused to be filed, in
behalf of the United States, a notice with the Clerk of said District
Court of the United States, that the appeal in said cause from the said
decision of the said Commissioners, in the District Court of the United
States for the Southern District of California, would be prosecuted by the
United States. Your petitioner further represents, that the land claimed,
as aforesaid, is situate in the Southern District of California, and within
the jurisdiction of this Honorable Court. Your petitioner further represents
and insists, that the said claim is invalid; and the said decision of said
Commissioners is erroneous, and ought to be reviewed, reversed and set aside, for
many errors and imperfections of law and evidence, apparent in said certified
transcript of the proceedings and decisions of said Commissioners in said
cause, filed and appealed from as aforesaid. And your petitioner denies all
and singular, each and every allegation in the said petition of said claimant,
presented as aforesaid to said Commissioners. And your petitioner further
denies that the said claimant has any valid right or title to said land claimed
as aforesaid, or any part thereof.

105 SD

PAGE 37

And no sufficient proof having been made of the allegations in said pe-
tition to said Commissioners, or in support of the said claim, no decision con-
firming the same should have been made by said Commissioners; but the

said claim should have been rejected by them. And the said claimant, having no valid right or title derived from the Spanish or Mexican Governments, to the land claimed as aforesaid, the lawful right and title in and to the said land was acquired by, and it now belongs to the United States, by virtue of conquest, and the Treaty of peace, friendship, limits and settlement, between the United States and the Republic of Mexico, made at the City of Guadalupe Hidalgo, February 2d, A. D. 1848.

Wherefore, the said Pacificus Ord, Attorney of the United States for the Southern District of California, for and in behalf of the United States, by reason of the premises, and in pursuance of the Act of Congress, entitled "An Act to ascertain and settle the Private Land Claims in the State of California;" approved March 3d, A. D. 1851, and the laws and statutes in such case made and provided, prays that the said claimant, or his attorney may be served with a copy of this petition; and that this Honorable Court will review the said decision of said Commissioners, and reverse the same; and decide on the validity of the same, and decree the alleged title to be invalid: with costs and general relief.
