Translation of  
Title & Possession

Whereas, the part of the main building of  
the Mission of San Luis Obispo which  
remains after setting apart the curates  
house, the municipal school room, and  
jail, was exposed at public auction to the  
highest bidder, in this Capitol on the  
4<sup>th</sup> inst, and whereas the Senores Scott  
& Wilson and Don Santiago McKinley be-  
came the purchasers of the said part  
of the edifice, by virtue of having been  
the last and highest bidders in their  
offer of five hundred and ten dollars,  
and having paid in full satisfaction  
this sum in current money to the De-  
partmental Government;

Now therefore, I, using the facul-  
ties conferred on me by the Most Excellent  
Departmental Assembly in its resolution  
on the matter dated July fourth of the  
present year, and in conformity with the  
regulation of October 28<sup>th</sup> ult. do declare,  
by these presents, the said Senores Scott  
& Wilson and Don Santiago McKinley  
to be the legal owners in partnership  
of all the rooms which belong to that  
part of the Mission building of San  
Luis Obispo which was sold to them  
the number and size of which will be  
shown by the judicial possession which  
by a special order of this date, the first  
Alcalde of San Luis Obispo ought to give  
them, with all the corral fenced with

stone which were the property of said Mission and belong to no individual.

Therefore I order that this title being held as firm and valid, not be taken off in the book of entries of grants of vacant lands, and it be delivered to the parties interested for their security and other purposes.

In continuation in the same day, month and year. I the justice of the Peace of San Luis Obispo accompanied by assisting witnesses and others persons aforementioned, we went to the dwelling house of the parish minister of this Pueblo, for the purpose of commencing the measurements of the main building and after having set apart for said Curate six good rooms and two halls which are united in one place not withstanding the division of rooms for his dwelling and other convenient purposes, the measurers took the cordel

by its extremities and stakes and measured

179  
by its extremities and stakes and measured from the principal door, through which they pass to enter the plaza, fifty six Spanish varas to the south west corner of the building, in which distance and in the same range were ten good rooms for dwelling, of which the two which are at the corner where the measurement terminated were set apart for town hall and jail, thence the measurement was continued along the wall to the north west corner, ninety two Spanish varas in which are included one gallery in good order and another without roof; then the measurement was continued ninety Spanish varas to the north east corner, in which distance, in the same range outside are four good rooms; thence to the large gate next to the wall of the church, twenty three Spanish varas in which are two good rooms.

The measurements on the outside being thus concluded and Don Juan Wilson having been informed of the reservation which was made of town hall and jail, and the limits designated, this park is included in a boundary of two hundred and sixty one varas in which are included fifteen good rooms for dwellings and three useless ones.

I then passed into the plaza of said building with the aforesaid persons and the measurers taking the cordal measured south west to the corner, thirty six varas in which are useful rooms, and then continuing to the N.W. along the wall, the measurement ended.

in a corner distant fifty eight Spanish varas including one useful and one useless gallery, thence N.E. to the corner which is in that direction sixty Spanish varas with five good rooms contained in it thence directing the measurement to the large Gate behind the church, twenty three varas, containing two rooms without roofs.

The measures being thus ended & the bounds and lines to which they are subject, designated, Senor Wilson being made to understand that the square of the Plaza, with the trees which are in it, and also the three stone Corral belonging to these buildings are his property, to perfect the act, in a loud voice I said to him: In the name of the Mexican Nation I give you possession of the park of this building and the stone Corral which you have purchased and which have just been measured, and directing him to make some demonstration of having acquired the useful and direct dominion and as such the ownership of said buildings, as owner and lord of them he threw stones and dug earth with which the act was concluded. Opinion by  
 Commissioner  
 R. Aug. Thompson

This is a claim by John Wilson, James McKinley and Jane Scott and others, heirs of James Scott dec'd for a portion of the buildings and Corral of the Mission of San Luis Obispo and is founded on a grant made to the two first named claimants and James Scott by Governor Pio Pico on the 6<sup>th</sup> day of December 1845, the original of which is introduced and proved in the case.

The petitioners have also placed on file the original act of Judicial possession executed by Jose de Jesus Pico on the 23<sup>rd</sup> of June 1846, the genuineness of which is also established by competent testimony.

The grant recites that the part of the main building of the said Mission which remains after setting apart the County have the Municipal school room and Jail was offered at public auction to the highest bidder, and that the said Messrs Wilson, Scott & McKinley being the best and highest bidders became the purchasers of the same for five hundred and ten dollars, on consideration of which the Governor proceeds to give them the premises above named, and by Judicial order directs the first Alcalde of San Luis Obispo to give them judicial possession of the same which was accordingly done as appears by the Record of the Act above mentioned.

The power and authority of the Governor to make grants of this description have

already been affirmed by the Commission in several cases heretofore decided.

The evidence in this case clearly brings it within the principles laid down in those cases, in accordance with which a decree of Confirmation will be entered.

**TO THE HON. ISAAC S. K. OGIER, JUDGE :**

The Petition of Pacificus Ord, a resident of said City, County, and State, Attorney of the United States for the Southern District of California, who petitions in this behalf for the United States, and being present here in Court, in the name and behalf of the United States, represents as follows: That heretofore, to wit: on or about the 10<sup>th</sup> day of May — A. D. 1852, *John Wilson* *James McKinley*, & *John Scott & Alan Scott*

presented a petition to the Commissioners to ascertain and settle the private land claims in the State of California, when sitting as a Board, claiming a tract of land called *Mission of San Luis Obispo* in the County of *San Luis Obispo* State of California, which said petition is referred to for a description of the land claimed, a copy of which appears in the transcript hereafter referred to. That thereafter, to wit: on or about the 17<sup>th</sup> day of July — A. D. 1855, the said Commissioners confirmed, by final decision, the said claim of said petitioner. That thereafter, to wit: on or about the 5<sup>th</sup> day of January — A. D. 1856, a duly certified transcript of the proceedings and decision of the said Commissioners in said cause, and the papers and evidence on which the said decision was founded, was filed in the Office of the Clerk of the District Court of the United States for the Southern District of California, and marked No. 224; reference to which it is prayed may be had and made part of this petition. That on or about the 1<sup>st</sup> day of January A. D. 1856, the Honorable Caleb Cushing, Attorney-General of the United States, received a duly certified duplicate of said transcript of the proceedings and decision of said Commissioners in said cause, and the papers and

evidence on which said decision was founded. That thereafter, to wit:  
on the <sup>or about</sup> 3<sup>d</sup> day of June A. D. 1856, the said  
Attorney-General of the United States filed, or caused to be filed, in  
behalf of the United States, a notice with the Clerk of said District  
Court of the United States, that the appeal in said cause from the said  
decision of the said Commissioners, in the District Court of the United  
States for the Southern District of California, would be prosecuted by the  
United States. Your petitioner further represents, that the land claimed,  
as aforesaid, is situate in the Southern District of California, and within  
the jurisdiction of this Honorable Court. Your petitioner further represents  
and insists, that the said claim is invalid; and the said decision of said  
Commissioners is erroneous, and ought to be reviewed, reversed and set aside, for  
many errors and imperfections of law and evidence, apparent in said certified  
transcript of the proceedings and decisions of said Commissioners in said  
cause, filed and appealed from as aforesaid. And your petitioner denies all  
and singular, each and every allegation in the said petition of said claimant,  
presented as aforesaid to said Commissioners. And your petitioner further  
denies that the said claimant has any valid right or title to said land claimed  
as aforesaid, or any part thereof.

366 SD  
PAGE 28

And no sufficient proof having been made of the allegations in said pe-  
tition to said Commissioners, or in support of the said claim, no decision con-  
firming the same should have been made by said Commissioners; but the

said claim should have been rejected by them. And the said claimant, having no valid right or title derived from the Spanish or Mexican Governments, to the land claimed as aforesaid, the lawful right and title in and to the said land was acquired by, and it now belongs to the United States, by virtue of conquest, and the Treaty of peace, friendship, limits and settlement, between the United States and the Republic of Mexico, made at the City of Guadalupe Hidalgo, February 2d, A. D. 1848.

Wherefore, the said Pacificus Ord, Attorney of the United States for the Southern District of California, for and in behalf of the United States, by reason of the premises, and in pursuance of the Act of Congress, entitled "An Act to ascertain and settle the Private Land Claims in the State of California," approved March 3d, A. D. 1851, and the laws and statutes in such case made and provided, prays that the said claimant, or his attorney may be served with a copy of this petition; and that this Honorable Court will review the said decision of said Commissioners, and reverse the same; and decide on the validity of the <sup>said claim</sup> ~~same~~, and decree the alleged title to be invalid: with costs and general relief.

Isaac Hartman being duly sworn upon his oath says, that for several months past he has been in the employment of the United States Government as special counsel in what are known as the Mission cases pending in the District Courts of the United States for the Northern and Southern Districts of California; that during the investigations of this affair in the office of the United States Surveyor General for the State of California, with a view of preparing the above mentioned cases for trial, he has discovered various laws, orders and decrees of the Supreme Government of Mexico, and various laws, orders and decrees of the Departmental Government of the California, and various correspondence between the Governments aforesaid, which clearly show, as affiant verily believes, that the Governor of the California had no power or authority to make

the sale or grant in this case, and that the  
same is absolutely void.

Affiant further says  
that the laws, orders, decrees, and court pro-

and printed for the purpose of making ex-

cases still pending in the District Courts a-

herein the United States will be able to show  
that the aforesaid grant or sale is absolute-

## MISSIONS.

### EXHIBIT I.

#### DECREE RELATING TO THE SECULARIZATION OF THE MISSIONS OF CALIFORNIA.

Article 1. The government will proceed to secularize the Missions of Upper and Lower California.

Art. 2. In each of said Missions shall be established a parish, served by a secular clergyman, with a stipend of from two thousand to two thousand five hundred dollars a year, as the government shall decide.

Art. 3. These Parochial Curates shall not recover or receive any fees for marriages, baptisms, or under any other name. As regards fees for processions, they shall be entitled to receive such as may be specifically named in the list made out for that object, as concisely as possible, by the Reverend Bishop of the Diocese, and approved by the Supreme Government.

Art. 4. The churches which have served in each Mission shall serve as parish churches, with the sacred vases, ornaments, and other articles, which each possesses at present, and such additional furniture belonging to said church as the government may deem necessary for the more decent use of said parish.

Art. 5. The government shall cause to be laid out a *campo santo* for each parish out of the way of the population.

Art. 6. Five hundred dollars a year are appropriated for the service and worship in each parish church.

Art. 7. Of the houses belonging to each Mission, the most suitable shall be selected as the residence of the Curate, the

land appropriated to him not to exceed two hundred yards square, and the rest shall be specially devoted to a town-house, primary school, and public establishments and offices.

Art. 8. In order to provide promptly and effectively for the spiritual wants of both the Californias, there is established in the capital of the Upper a vicarship, which shall have jurisdiction over the two territories and the Reverend Diocesan shall endow it with the most ample powers.

Art. 9. Three thousand dollars are appropriated as an endowment to this vicarship, the Vicar being required to discharge his duties free of charge under any pretext or name, not even for paper.

Art. 10. If for any other cause, whatever, the Parochial Curate of the capital or any other parish in the district, shall act as Vicar, there shall be paid to him one thousand five hundred dollars, besides the stipend of his curacy.

Art. 11. There shall not be introduced any custom which shall require the inhabitants of California to make offerings, however pious they may be, although they may be termed *necessary*; and neither time nor the will of the said inhabitants shall give them any force or weight whatever.

Art. 12. The government shall take effectual care that the Reverend Diocesan shall contribute, so far as he is concerned, to fulfill the objects of this law.

Art. 13. The Supreme Government shall provide for the gratuitous transportation, by sea, of the new Curates that may be appointed and their families, and, besides, may give to each one, for his traveling by land, from four to eight hundred dollars, according to the distance and the number of his family which he brings.

Art. 14. Government shall pay the traveling expenses of the religious Missionaries who move; and that they may be accommodated on land as far as their colleges or convents, may give to each from two to three hundred dollars, and, at discretion, so much as may be necessary to such as have not sworn to support the independence, that they may leave the Republic.

Art. 15. The Supreme Government shall pay the expenses arising under this law, out of the products of the securities,

capitals, and rents, which are regarded as the pious fund in the Missions of California.

EXHIBIT II.

FIGUEROA'S PROVISIONAL RULES FOR THE SECULARIZATION OF THE MISSIONS.

Article 1. The Governor, agreeable to the spirit of the law of the 17th August, 1833, and to the instructions which he has received from the Supreme Government, will, with the co-operation of the Prelates of the Missionary Priests, partially convert into pueblos the Missions of this territory, beginning in the next month of August, and commencing at first with ten Missions and afterwards with the remainder.

Art. 2. The Missionary Priests will be exonerated from the administration of temporalities, and will only exercise the functions of their ministry in matters appertaining to the spiritual administration, until the formal division of parishes be made, and the Supreme Government and Diocesan provide Curates.

Art. 3. The Territorial Government will reassume the administration of temporalities in the directive part, according to the following bases:

Art. 4. The Supreme Government will, by the quickest route, be requested to approve of these provisional regulations.

DISTRIBUTION OF PROPERTY AND LANDS.

Art. 5. To every individual head of a family, and to all those above twenty-one years of age, although they have no family, a lot of land, whether irrigable or otherwise, of not exceeding four hundred varas square, nor less than one hundred, shall be given out of the common lands of the Missions; and in community a sufficient quantity of land shall be allotted them for watering their cattle. Common lands shall be assigned to each pueblo, and, when convenient, municipal lands also.

Art. 5. One-half of the self-moving property (cattle) shall be distributed among the said individuals, in a proportionable and equitable manner, at the discretion of the Governor, taking as a basis the last accounts of all kinds of cattle presented by the Missionaries.

Art. 7. One-half or less of the chattels, instruments, and seeds, on hand and indispensable for the cultivation of the ground, shall be divided proportionably among them.

Art. 8. The remainder of all the lands, landed property, cattle, and all other property on hand, will remain under the care and responsibility of the Mayordomos, or other officers whom the Governor may name, at the disposal of the Supreme Federal Government.

Art. 9. From the common mass of this property the subsistence of the Missionary Padres, the pay of the Mayordomos, and other servants, and the expenses of religious worship, schools, and other objects of policy and ornament, shall be provided.

Art. 10. The Governor, having under his charge the direction of temporal affairs, will determine and regulate, according to circumstances, all the expenses necessary to be laid out, as well for the execution of this plan as for the conservation and augmentation of this property.

Art. 11. The Missionary Minister will select the locality in the Mission which may best suit him, for his own habitation and that of his servants and attendants; and he shall be furnished with the necessary furniture and implements.

Art. 12. The library, sacred dresses, ornaments, and furniture, of the church, shall be put in charge of the Missionary Padre, under the responsibility of the person who acts as subscriber, and whom the Priest himself shall elect, and a reasonable salary be given for his troubles.

Art. 13. General inventories shall be made of all property on hand in each Mission, with due separation and explanation of the different branches; of the books, debit, and credit, and all kinds of papers; of the amount owing by and to the Missions; which document and account shall be forwarded to the Supreme Government.

## POLITICAL GOVERNMENT OF THE PUEBLOS.

Art. 14. The political government of the pueblos shall be organized in perfect conformity with the existing laws; the Governor will give the necessary instructions to have the Ayuntamientos established and elections made.

Art. 15. The economical government of the pueblos shall be under the charge of the Ayuntamientos; but as far as regards the administration of justice in contentious affairs, they will be subject to the primary judges of the nearest towns constitutionally established.

Art. 16. The emancipated Indians will be obliged to assist at the indispensable common labor which, in the opinion of the Governor may be judged necessary for the cultivation of the vineyards, orchards, and cornfields, which, for the present, remain undisposed of until the resolution of the Supreme Government.

Art. 17. Said emancipated Indians will render to the Missionary Priest the necessary personal service for the attention of his person.

## RESTRICTIONS.

Art. 18. They cannot sell, burden, or alienate, under any pretext, the lands which may be given them; neither can they sell their cattle. Whatever contracts may be made against these orders shall be of no value; the government will reclaim the property as belonging to the nation, and the purchasers shall lose their money.

Art. 19. The lands whose owners shall die without heirs, shall revert to the possession of the nation.

## GENERAL ORDERS.

Art. 20. The Governor will name such Commissioners as he may see fit to carry this plan and its incidents into effect.

Art. 21. The Governor is authorized to resolve any doubt or matter which may arise relative to the execution of these regulations.

Art. 22. Until these regulations be put in force, the Reverend Missionary Padres are prohibited from slaughtering cattle in large quantities, except the common and ordinary number

accustomed to be killed for the subsistence of the neophytes, without allowing any waste.

Art. 23. The debts of the Mission shall be paid in preference, out of the common mass of the property, at the time and in the manner that the Governor shall determine.

That the fulfillment of this law may be perfect the following rules will be observed :

1st. The Commissioners, so soon as they shall receive their appointments and orders, shall present themselves at the respective Missions and commence the execution of the plan, being governed in all things by its tenor and these regulations. They shall present their credentials respectively to the Priests under whose care the Mission is, with whom they shall agree, preserving harmony and proper respect.

2d. The Priests shall immediately hand over and the Commissioners receive, the books of accounts and other documents relating to property claims, liquidated and unliquidated; afterwards, general inventories shall be made out, in accordance with the 13th Article of this regulation, of all property—such as houses, churches, work-shops, and other local things—stating what belongs to each shop—that is to say, utensils, furniture, and implements; then, what belongs to the homestead; after which shall follow those of the field, that is to say, property that grows, such as vines and vegetables, with an enumeration of the shrubs, if possible, mills, etc.; after that, the cattle and whatever appertains to them; but as it will be difficult to count them, as well on account of their number as for the want of horses, they shall be estimated by two persons of intelligence and probity, who shall calculate, as nearly as may be, the number of each species, to be inserted in the inventory. Everything shall be in regular form in making the inventory, which shall be kept from the knowledge of the Priests, and under the charge of the Commissioner or Steward; but there shall be no change in the order of the work and services, until experience shall show that it is necessary, except in such matters as are commonly changed whenever it suits.

3d. The Commissioner, with the Steward, shall dispense with all superfluous expense, establishing rigid economy in all things that require reform.

4th. Before he takes an inventory of articles belonging to the field, the Commissioner will inform the natives—explaining to them with mildness and patience, that the Missions are to be changed into villages, which will only be under the government of the Priests so far as relates to spiritual matters; that the lands and property for which each one labors are to belong to himself, and to be maintained and controlled by himself without depending on any one else; that the houses in which they live are to be their own, for which end they are to submit to what is ordered in these regulations, which are to be explained to them in the best possible manner. The lots will be given to them immediately, to be worked by them as the 5th Article of the regulations provides. The Commissioner, the Priest, and the Steward, shall choose the location, selecting the best and most convenient to the population; and shall give to each the quantity of ground which he can cultivate, according to his fitness and the size of his family, without exceeding the *maximum* established. Each one shall mark his land in such manner as may be most agreeable to him.

5th. The claims that are liquidated shall be paid from the mass of property; but neither the Commissioner nor the Steward shall settle them without the express order of the government, which will inform itself on the matter, and, according to its judgment, determine the number of cattle to assign to the neophytes, that it may be done, as heretofore, in conformity with what is provided in the 6th Article.

6th. The necessary effects and implements for labor shall be assigned in the quantities expressed by the 7th Article, either individually, or in common, as the Commissioner and Priest may agree upon. The seeds will remain undivided, and shall be given to the neophytes in the usual quantities.

7th. What is called the priesthood shall immediately cease; the female children whom they have in charge being handed over to their fathers—explaining to them the care they should take of them, and pointing out their obligations as parents. The same shall be done with the male children.

8th. The Commissioner, according to the knowledge and information which he shall acquire, shall name to the government, as soon as possible, one or several individuals, who may

appear to him suitable and honorable, as Stewards, according to the provisions of the 8th Article, either from among those who now serve in the Missions, or others; he shall also fix the pay which should be assigned them, according to the labor of each Mission.

9th. The settlements which are at a distance from the Mission, and consists of more than twenty-five families and which would desire to form a separate community, shall be gratified; and the appropriation of lands and other property shall be made to them as to the rest. The settlements which do not contain twenty-five families, provided they be permanently settled where they now live, shall form a suburb, and shall be attached to the nearest village.

10th. The Commissioner shall state the number of souls which each village contains, in order to designate the number of municipal officers, and cause the elections to be held, in which they will proceed conformably, as far as possible, to the law of June 12, 1830.

11th. The Commissioners shall adopt all executive measures which the condition of things demands, giving an account to the government, and shall consult upon grave and doubtful matters.

12th. In everything that remains, the Commissioners, the priests, stewards, and natives, will proceed according to the provisions of the regulation.

EXHIBIT VII.

RULES AND REGULATIONS OF GOVERNOR ALVARADO, RESPECTING MISSIONS, JANUARY 17, 1839.

The fact of there not having been published in due season a set of regulations, to which the management of the *Administradores* of the Missions ought to have been subject from the moment the so-called secularization was attempted, having caused evils of great transcendency to this Upper California—as these officers, authorized to dispose without limit of the property under their charge, do not know how to act in regard to their dependence upon the political government—and that of the most excellent Departmental Junta not being at present in session to consult with, respecting the necessary steps to be taken under such circumstances, since the regulations of said secularization neither could nor can take effect, on account of the positive evils attending the fulfillment thereof, as experience itself has demonstrated—has induced this government, in consideration of the pitiful state in which said establishments at present are, to dictate these provisional regulations, which shall be observed by said Administrators who shall subject themselves to the following articles:

Article 1. All persons who have acted as Administrators of Missions, will, as soon as possible, present to the government the accounts corresponding to their administration for due inspection, excepting those persons who may have already done so.

Art. 2. The present Administrators, who, at the delivery of their predecessors, may have received said documents as belong to the archives, will return them to the parties interested, who, in virtue of the foregoing article will themselves forward them to government, they being solely responsible.

Art. 3. Said officers will likewise remit those belonging to their administration up to the end of December of last year, however long they may have been in office.

Art. 4. Said officers will remit as soon as possible an exact account of the debts owing by and to the Missions, which may at different times have been contracted.

Art. 5. Under no title or pretext whatever shall they contract debts, whatever may be the object of their inversion, nor make sales of any kind, either to foreign merchants or to private persons of the country, without the previous knowledge of government; for whatever may be done to the contrary shall be null and without effect.

Art. 6. The amounts owed by the establishments to merchants and private persons cannot be paid without an express order from government, to which must likewise be sent an account of all such property of each Mission as it has been customary to make such payments with.

Art. 7. Without previous permission from said government, no kind of slaughtering of cattle shall take place, except what is necessary for the maintenance of the Indians, and the ordinary consumption of the house; and even with respect to this the person in charge will take care that, as far as possible, no female animals be killed.

Art. 8. The traffic of mules and horses for woolen manufactures, which has hitherto been carried on, in the establishments, is hereby absolutely prohibited; and in lieu thereof, the person in charge will see that the looms are got into operation, so that the wants of the Indians may thus be supplied.

Art. 9. At the end of each month, they will send to government a statement of the ingress and egress of all kinds of produce that may have been warehoused or distributed, it being understood that the Indians at all times are to be provided for in the customary manner with such productions; to which end the Administrators are empowered to furnish them with those which are manufactured in the establishment.

Art. 10. The Administrators will in this year proceed to construct a building on account of the establishment, to serve them for a habitation, and they may choose the locality which they may deem most convenient, in order that they may vacate the premises which they now occupy.

Art. 11. They shall not permit any individual of those called *de rason* (white people) to settle themselves in the establishments while the Indians remain in community.

Art. 12. They will at an early period present a census of all the inhabitants, distinguishing their classes and ages, in order

to form general statistics; and they will likewise mention those who are emancipated and established on the lands of said establishments.

Art. 13. The establishments of San Carlos, San Juan Bautista, and Sonoma, are not comprehended in the orders of this regulation. The government will regulate them in a different manner; but the administrators, who at different times may have had the management of their property will be subject to the orders contained in articles one and two.

Art. 14. They will likewise remit an account of all persons employed under them, designating their monthly pay, according to the orders which may have been given, including that of the Reverend Padres, with the object of regulating them according to the means of each establishment; and these salaries shall not be paid now, nor hereafter, with self-moving property.

Art. 15. The administrators will under the strictest responsibility, fulfill these orders with the understanding that in the term of one month, they shall send the information required of them.

Art. 16. Government will continue making regulations respecting everything tending to establish the police to be observed in the establishments, and the manner to be observed in making out the accounts.

Art. 17. For the examination of these accounts, and everything thereto relating, the government will appoint a person with the character of Inspector, with a competent salary, to be paid out of the funds of said establishments; and this person will establish his office where the government shall appoint, and have regulations therefor in due time.

### EXHIBIT VIII.

INSTRUCTIONS TO BE OBSERVED BY W. E. HARTNELL IN THE INSPECTION OF THE ESTABLISHMENTS OF THE MISSIONS OF UPPER CALIFORNIA.

Article 1. It being a matter of the greatest importance that the Missions be regulated as intended when I published my

Provisional Regulations of the 17th of January last, you will methodize the order which you consider best adapted to obtain the monthly information required, and have the annual accounts of the Missions kept, and you will instruct the Administrators how they shall organize them.

Art. 2. You will, with prudence and foresight, take an exact account of the self-moving property, and all other property on hand, calculating as near as possible, the number of cattle, if it cannot be exactly got at.

Art. 3. In order to examine and count said cattle, you will take along with you a person of probity and information, who will attend to this business; and you will offer him the compensation which you may deem just for his services while the inspection lasts.

Art. 4. On presenting yourself at each of the establishments you will inform the Administrator of the object of your arrival, referring to him or manifesting to him the respective orders so that there may be no legal pretext for not punctually observing them.

Art. 5. If any of the Administrators of the Missions should make known to you any palpable wants which in your opinion ought to be immediately remedied, you will take the proper steps to do so, although it may be necessary to dispose of some of the produce on hand in the stores.

Art. 6. Should any of the Reverend Padres, or other persons employed, make any complaints to you relating to the management of the Administrators, you will with due prudence make the decision which you think most just, and use your utmost endeavors to keep up harmony among all classes.

Art. 7. You will exhort the Administrators to use all possible economy in the use of provisions, weekly and annual slaughtering of cattle, and crops of all kinds of eatables, in order by all these means to further the progress of these establishments.

Art. 8. You are authorized to regulate the weekly and annual slaughtering which it has been customary to make in the Missions, taking into consideration the number of calves, marked (annually) so that the stock of cattle may not diminish.

Art. 9. You will likewise recommend the Administrators

to be affable in their treatment of Indians, and that the punishment they inflict be moderate and proportioned to their state of uncivilization; and that (the Administrators) see that frequent divine service agreeably to the education which they have received.

Art. 10. If any of the Administrators should disobey the orders of this government and not fulfill them duly, in spite of the good treatment you give them, you will inform the government by a courier, that it may determine what is to be done; and in case that circumstances should require it, you are authorized to suspend such officer for the time that you may consider necessary, and put the Mayordomos in charge in the mean time, in order that the labors of your commission be not paralyzed; and you will likewise inform the government, in order that it may determine what may be convenient.

Art. 11. The government expects, from you zeal, that you will be diligent in your commission, collect all kinds of information, and make the necessary observations for the formation of the police regulations which were promised in those of the 17th, already cited.

EXHIBIT IX.

REGULATIONS OF GOVERNOR ALVARADO RESPECTING THE MISSIONS OF CALIFORNIA, DATED MARCH 1, 1840.

Experience having proved in an undoubted manner that the Missions of Upper California, for want of regulations organizing the management of the persons in charge of them, have in a short time suffered reverses and losses of great moment. The many abuses which are found to exist in the administration of the property of said Missions, obliged this government to issue the regulation of 17th January, last year; but as it has been found that those have not been sufficient to root out the evils which are experienced, particularly on account of the high salaries with which the establishments are burdened, and which they cannot support; and being desirous to establish economy and a regular administration until the Supreme Government

determine what it may deem proper, I publish the present regulations, which are to be strictly observed:

Article 1. The situations of Administrators in the Missions of Upper California are abolished, and in their stead Mayor-domos are established.

Art. 2. These Mayordomos will receive the following salaries: Those of San Diego and San Juan Capistrano, one hundred and eighty dollars; those of Santa Barbara, San Luis Obispo, San Francisco de Asis, and San Rafael, two hundred and forty dollars; those of San Buenaventura, La Purisima, San Miguel, and San Antonio, three hundred dollars; those of San Fernando and Santa Ynez, four hundred dollars; those of San Luis Rey and San Gabriel, four hundred and twenty dollars; the one of Santa Clara, four hundred and eighty dollars, and the one of San José, six hundred dollars.

Art. 3. The former Administrators may occupy said situations, provided that they be proposed in the manner pointed out by these regulations.

Art. 4. The situation of Inspector, and the office established agreeable to the 17th Article of the regulations of the 17th January, last year, shall continue, with a salary of three thousand dollars per annum, and his powers will be hereafter designated.

#### OBLIGATIONS OF THE MAYORDOMOS.

Art. 5. To take care of everything relative to the advancement of the property under their charge, acting in concert with the Reverend Padres in the difficult cases which may occur.

Art. 6. To compel the Indians to assist in the labors of the community, chastising them moderately for the faults which they may commit.

Art. 7. To see that said Indians observe the best morality in their manners, and oblige them to frequent the church, at the days and hours that have been customary; in which matter the Reverend Padres will intervene in the manner and form determined in the instructions given by the Inspector to the Administrators.

Art. 8. To remit to the Inspector's office a monthly account of the produce they may collect into the storehouses, and an

annexed one of the crops of grain, liquors, etc., and of the branding of all kinds of cattle.

Art. 9. Said account must be authorized by the Reverend Padres.

Art. 10. To take care that the Reverend Padres do not want for their necessary aliment, and furnish them with everything necessary for their personal subsistence, as likewise to vaqueros and servants which they may request for their domestic service.

Art. 11. To provide the ecclesiastical Prelates all the assistance which they may stand in need of, when they make their accustomed visits to the Missions through which they pass; and they are obliged, under the strictest responsibility, to receive them in the manner due to their dignity.

Art. 12. In the Missions where the said Prelates have fixed their residence, they will have the right to call upon the Mayordomos at any hour when they may require them; and said Mayordomos are required to present themselves to them every day at a certain hour, to know what they require in their ministerial functions.

Art. 13. To furnish the Priests of their respective Missions all necessary assistance for religious worship; but in order to invest any considerable amount in this object, they will solicit the permission to do so from government, through the medium of the Inspector.

Art. 14. To take care that in the distribution of goods received from the respective office to the Indians, the due proportion be observed among the different classes and description of persons; to which end the Reverend Padres shall be called to be present, and they will approve of the corresponding list of distribution.

Art. 15. To observe all the orders which they receive from the Inspector's office, emanating from the government, and to pay religiously all drafts addressed to them by said conduct, and authorized by said government.

Art. 16. They will every three months send to the respective offices a list of the goods and necessaries they may stand in greatest need of, as well for covering the nakedness of the Indians and carrying on the labor of the establishment, as to provide for the necessities of the Priests and religious worship;

so that, comparing these requisitions with the stock on hand, the best possible remedy may be applied.

Art. 17. They will take care to furnish the necessary means of transport and provisions to the military or private persons who may be traveling on the public service; and they will provide said necessaries as well for the before-mentioned persons as for the Commandants of stations who may ask for assistance for the troops; and send in a monthly account to the Inspector, that he may recover the amount from the Commissariat.

Art. 18. They will likewise render assistance to all other private individuals who may pass through the establishments, charging them for food and horses an amount proportioned to their means.

Art. 19. They will take care that the servants under them observe the best conduct and morality, as well as others who pass through or remain in the establishments; and in urgent cases they are authorized to take such steps as they may consider best to preserve good order.

Art. 20. They may, without any charge, make use of the provisions produced by the establishments for their own subsistence and that of their families.

Art. 21. They may employ as many servants as they consider necessary for carrying on the work of the community; but their situations must be filled entirely by natives of the establishments themselves.

Art. 22. Said Mayordomos are merely allowed to request the appointment of a Clerk to carry on their correspondence with the Inspector's office.

Art. 23. After the Mayordomos have for one year given proofs of their activity, honesty, and good conduct, in the fulfillment of their obligations, they shall be entitled (in times of little occupation) to have the government allow the Indians to render them some personal services in their private labors; but the consent of the Indians must be previously obtained.

Art. 24. The Mayordomos cannot make any purchase of goods from merchants, nor make any sale of the produce or manufactures of the establishments, without previous authority from government; second, dispose of the Indians in any case

for the services of private persons, without a positive superior order; third, make any slaughtering of cattle, except what shall be ordered by the Inspector to take place weekly, extraordinarily, or annually.

OBLIGATIONS OF THE INSPECTORS.

Art. 25. To make all kinds of mercantile contracts with foreign vessels and private persons of the country for the benefit of the Missions.

Art. 26. To provide said establishments with the requisite goods and necessaries mentioned in the lists of the Mayordomos, taking into consideration the stock of each establishment.

Art. 27. To draw bills for the payment of the debts contracted by his office, and those already due by the establishments.

Art. 28. He shall be the ordinary conductor of communication between the government and the subaltern officers of said Missions, as well as between all other persons who may have to apply to government respecting any business relative to said establishments.

Art. 29. He will pay the salaries of the Mayordomos and other servants, take care that they fulfill their obligations, and propose to government, in conjunction with the Reverend Padres, the individuals whom they may consider best qualified to take charge of the Missions.

Art. 30. He will determine the number of cattle to be killed weekly, annually, or on extraordinary occasions.

Art. 31. He will form the interior regulations of his office, and propose to government the Subalterns which he may judge necessary for the proper management thereof.

GENERAL ORDERS.

Art. 32. All merchants and private persons who may have any claims on said Missions will, in due time, present to the Inspector an account of the amounts due to them, with the respective vouchers, in order that the government may determine the best manner of settling them, as the circumstances of said Mission may permit.

Art. 33. With respect to the Missions of San Carlos, San Juan Bautista, Santa Cruz, La Soledad, and San Francisco Solano, the General Government will continue regulating them as circumstances may permit.

Art. 34. Officers and magistrates of all kinds are at liberty to manifest to government the abuses they may observe in those charged with fulfilling these regulations, so that a quick remedy may be applied.

Art. 35. The government after previously hearing the opinions of the Reverend Padres, will arrange matters respecting the expenses of religious worship, and the subsistence of said Padres, either by fixing a stated amount for both objects, or in some other manner which may be more convenient toward attending to their wants.

Art. 36. All prior regulations and orders conflicting with the present are annulled; and if any doubt occurs respecting their observance, the government will be consulted through the established channel.

Art. 37. During the defect or temporary absence of the Mayordomos, the Reverend Padres will, in the mean time, take charge of the establishments.

## EXHIBIT X.

PETITION MADE TO THE SUPREME GOVERNMENT BY THE MOST ILLUSTRIOUS SEÑOR BISHOP OF THE CALIFORNIAS, IN HIS COMMUNICATION OF THE 7TH INST., AND A PRIVATE LETTER OF THE SAME DATE.

From the time the temporalities they created and augmented with their personal labor and their stipends, were taken away from the missionaries, the seculars, and their attendants, and among them some with whom I am acquainted, to whom could not be trusted even a small quantity, entered into the possession of the property of the Missions, the destruction of said property in such hands is already understood.

There should exist in the Ministry of your Excellency, reclamations which I have made upon this subject, and where-

upon the General Congress passed a law suspending the ordering the secularization of the Missions, which, as I conceive, up to the present time, has not been carried into effect, probably by just considerations of government.

In the next reclamations I made, in the year 1836, I notified the Supreme Government of the evils which the Missionaries have to contend with, and not the least among them that the Administradores of the Missions took possession of the houses in which the Fathers were living—houses built by the Religieuses, and in the construction of which, they invested the stipends which they were receiving, and the labor of their hands. They have been compelled, as I myself can bear witness, to live there as so many bankrupts and with great inconvenience.

They keep in the habitation certain people who some nights, by their intoxication, gambling, and dancing, which with shame the neophytes are witnessing, disturb their rest! Verily unsupportable! What a miserable life for a few devoted Religieuses, and so much so that many of them have contemplated the abandonment of the Missions, and seek the peace and tranquility of their minds in retirement! Tormenting life, that dissuaded many from going to the Missions, not to expose themselves to so much suffering and disregard for their character! I do not wish it to be believed from this that I wish the delivery of the temporalities to the Religieuses to be carried into effect.

I well know, and have already communicated it to the government, that within a short time there will be nothing of the property of those opulent Missions, which the Administradores received when the Fathers delivered them over. What I desire is, that for the new Missions that may be established, some legislation may be taken to prevent the recurrence of such flagrant disorders.

Otherwise, what Missionary Father is there who may wish to labor to increase the property of the unhappy Indians, if experience teaches him to know that they are to be taken away from their legitimate owners, and delivered to others to enjoy, without having cost them any anxiety or labor? Who is the Religieuse that would desire to build a house, or plant an orchard for his recreation and comfort, if he has seen that they

are to be taken away from him, and are taken possession of by men who before have been supported by alms from the said Missionaries, and that the señors unexpectedly move and the unhappy Fathers have to live at their own expense?

What I insist on, and will always insist, is that the houses and orchards which they or their predecessors have made, which are contiguous to and in immediate communication with the churches, remain to the benefit and use of the Missionaries. The Administradores, as they have at their disposition the Indians and property of the Missions, can build a house for them and leave the Fathers in peace and quietude. I deem this measure of so great necessity, that if it is not adopted, there will not be any one who will desire to go to serve the Missions. From the present time I lay the matter before the Supreme Government, and if it is a measure so necessary for the Missionaries, what shall be said with respect to the Bishop? It would be a deplorable thing that meanwhile he erects his house, he should have no place in which to collect his family, or where to put his students and ministers, neither where to commence his seminary.

Therefore, then, I pray the Supreme Government:

1st. That an order be issued, (which I will bear,) for the delivery of the houses and orchards of the Mission to the Missionaries, and that in the interim, that San Diego or that of San Luis Rey may be occupied by the Bishop and his attendants, together with the Missionary Father, until the Bishop can build his Episcopal house, and the edifice for his seminary.

2d. As it might be anticipated the Administradores refuse the Fathers the services of the Indians, and this even when offering them liberal pay. This demands another disposition of the Supreme Government, in order that I may be furnished servants with equitable and not arbitrary salaries. At the same time, I pray that the lands upon which to build my church, my house, and my seminary may be given me.

3d. The Supreme Government is well apprised that I have in my Bishopric no other clergy besides the Fernandines, Zatecans, and Dominicans Religieuses of the Province of Mexico, and if the Prelates of these orders should deprive us of

their subjects I would not have any one with whom to fill their places for the present.

As I have been informed, the Provincial Father of Santo Domingo intends or contemplates withholding, from the Religieuses his subjects, the powers which as Missionaries in their order they are enjoying; and this measure would tend a great deal to induce the former to leave, and prevent others from going to the Missions—and it should extract from the consideration that the sacrifices which they make are unprofitable to them and their religion.

Wherefore I pray the Supreme Government to notify the Rev. Provincial Father not to make any innovation, and that the Missionaries continue as they are until the Bishop shall have clergymen to occupy their places, and till they may be able to devote themselves to the triumphant conversions. I also desire the government to commend me to the Rev. Guardian Fathers of Guadalupe of Zacatecas and San Fernando, in order that they may supply me with Religieuses, and that if any desire to accompany me, it may not be forbidden them.

4th. The Supreme Government asked the Holy Pope through our messenger to Rome that I should be permitted to carry to my Bishopric, as many clergymen (Sacerdotes) as should desire to accompany me, and should meet my approbation without their respective Prelates being able to prevent it. This authority did not come among those I have in my possession. I would desire therefore that this particular be laid before Señor Montoyo, and that meanwhile the government may be engaged with the parties when any one, whether of the secular or regular clergy shall give notice thereto of his desire to accompany me and I manifest my approbation to government.

5th. As the conversion of the heathen and the propagation of the faith, is one of my principal objects, it is indispensable that I have an agency for the accomplishment of my desires. The colleges approved by the Republic, except that of Guadalupe and of Zacatecas, are failing, and this is scarcely able to protect the ten Missions now under my charge. I therefore, believe it to be necessary to permit me to establish a Board of Missionaries in my Bishopric, that these may continue forming

new Missions or Parishes, and I pray the government, through our messenger to Rome, to supplicate the Holy Pope that I may proceed, although with but one Religieuse, to the foundation in order that the latter may confer habits and professions upon those who may desire to dedicate themselves to the all important conversion of the heathen. Likewise I request that the island called Los Angeles, be given for the location of this college, or some other tract of land suitable for the purpose.

6th. The girls, generally, have suffered the want of the education and instruction necessary to make them useful in society. Therefore I desire to establish at the place of my residence, a female college, for which I need an adequate tract of land.

7th. By an anomaly which I did not understand, the tithes have been collected in my Bishopric on behalf of the civil government of Sonora. These authorities should be prohibited from doing this, so that the faithful may be at liberty to give them, henceforth, to the Church, which although small, will assist in the grand schemes of public beneficence that I have formed.

8th. The government burdened the charitable fund of my church by a loan which it made to Señor Teran of seventy thousand dollars, at the ruinous interest of two per cent. per month. The government obligated itself to pay (as I am informed) upwards of two hundred dollars daily, for the purpose of extinguishing this onerous debt. For a short time it fulfilled this promise, and afterwards it has left it against the fund which in order not to lose its threatened capital, upon the same conditions of the loan, has been making sacrifices to fund the debt, as well as to pay the monthly interest. Under the circumstances the said fund has become destitute of the *arbitrios* of given the stipends to the Missionaries, whose drafts are funding, and unable to render me any assistance in the expenditures which I should make to proceed to my diocese, which as your Excellency is well aware are great. It is, therefore, just, that I ask the government to provide some means to settle the debt of Señor Teran immediately, in order that the fund may remain unembarrassed.

I neglected to mention in my communication, that I desire

to locate my edifices, or rather to form a settlement on a rancho situate in front of San Diego, as well for the conveniences thereof for water and wood, as for not being littoral and exposed to the invasions of any pirate. Moreover its climate is very good. If the government should desire to have a military force there, it would be of the greatest importance to the communication with Sonora, because it would repress the Indians from the Rio Colorado, and it would also be very important in any attempt to subdue these miserable beings, and to their temporal and spiritual happiness. I am persuaded that the communication with the interior of our Republic, by this means would be facilitated, and the government would have more frequent intelligence from this department.

extent of his authority and in conformity with the Decree of  
Congress of the 7th November, 1835, which ordered the Mis-

#### INSTRUCTIONS AND POWERS OF MICHELTORENA.

Under date of the 11th of February, 1842, the Minister of War says what follows:

Most Excellent Sir:—His Excellency, the President *ad inter-*

*im*, being desirous that the Department of California should take advantage of all the resources which it possesses, for its prosperity for placing itself in a state of defense, and for acquiring that happiness which nature itself invites her to take possession of; and bearing in mind the disturbances which have taken place in the country, and which, on account of the distance, the National Government has not been able to avoid; the situation in which Y. E. will be placed, and the measures which you will have to adopt, and which will produce the desired effect, if you wait for the proper time to put them into execution, for there are matters which do not admit of the least delay, and in the persuasion that Y. E. will not abuse your powers, but that you will exercise them for the welfare and the service of all the inhabitants of that interesting and fertile department which the Supreme Government has placed under your charge and responsibility, he (the President) has been pleased to grant to the Y. E. over and above the attributions assigned to you by the existing laws and regulations, as Governor, Commandant-General and Inspector, all the powers which the Supreme Government can confer upon you, in order that by virtue thereof you may remove from office all such civil and military officers dependent on said government who shall not fulfill their duties, or act up to the confidence reposed in them by the same, and fill their situations by appointing worthy citizens who shall take their places and enter upon their duties; but with the understanding, nevertheless, you report to government the motives of your proceedings for its approbation. The views of the Supreme Magistrate do not only refer to Upper California but extend likewise to Lower California, where certain seditious movements have appeared, which being fomented by hidden enemies it has caused some foreigners to take part, when their very quality of foreigners prohibits them from intermeddling in domestic strife; and, as the President is resolved to protect the troops, authorities, and citizens of said Peninsula, he has determined that your military command shall likewise extend to Lower California, as well as the civil command, separating it from Sinaloa; and the Commandant-General of the Department of Sonora and Sinaloa, will continue to furnish you with the resources and assistance which you may

require for the purpose of securing peace, furnishing the troops, providing for the wants of the citizens, and enabling you to provide for the prosperity and happiness of the whole Department. Although the 1st Article of the law of 2d of February, 1839, derogated the articles of that of the 18th of February of the same year, which subjected the subordination of the staff of the army, and the 13th Article of the first mentioned decree merely leaves the Commandant-General of the East and West with the former attributions of Inspector which they possessed in the companies of Presidios,—his Excellency, the President, has determined that your powers shall extend as Inspector to the permanent Battalion of California, and that you take charge of all the mechanism thereof, and report to the staff of the army.

You will become acquainted with the good or bad management of the maritime Custom House of both Californias; you will have to examine the situation of all the Missions, with respect to their management, improvement, and state of accounts; you will have to proceed to the inspection and reorganization of the companies of Presidios, and in all cases (were you not to act,) the evil would have to remain until government could resolve.

The Supreme Government, trusting in your justice and activity, desires that you should meet with no obstacles, and therefore the powers conferred upon you are made extensive to those branches, and to all others which may conduce to the welfare of the country, including many others, the administration of the Post-Office Department, colonization, the establishment of Presidios, the improvement of ports, the safety of towns, the civilization of wild Indians, the education of youth, the opening of the roads, the furtherance of the arts, the protection of agriculture and commerce, the establishment of houses of correction, and the establishment of towns.

You know the views of the Supreme Government, and are well aware, that being a friend to improvement, it merely desires the union of Mexicans, and that the community in general may enjoy the protection of the laws, be obedient to their authorities, understand that it is our duty to procure the welfare of every one and avoid that all others be injured. I therefore

will not detain myself by recommending you to propagate these principles, and will merely mention, that when the Supreme Magistrate dictated his instructions, he wished to manifest to you his esteem, and the importance of the command he has confided to you, and to assure the inhabitants of California that the present administration desires their happiness, disavows all apathy, and is ready to impart to that department all the resources which it may desire, and be able to furnish it.

I communicate this to Y. E. for your satisfaction.

EXHIBIT XIV.

PROCLAMATION OF GOVERNOR MICHELTORENA CONCERNING MISSIONS.

*Manuel Micheltoarena, General of Brigade of the Republic, Adjutant-General of the Plana Mayor, Governor of the same, Commanding-General and Inspector of both Californias.*

It being one of the ample or complete instructions or orders, with which is invested the undersigned General and Governor, viz: to examine into the situation of all the Missions in his government at the present moment, their prospects and resources, in order to regulate them, and the Supreme National Government having transmitted all its powers, according to the supreme order made February 11, 1842.

On deliberation, and with the assent of the Most Reverend Fathers, Fray, José Joaquin Jimeno, Fray, José M<sup>a</sup>. de Jesus Gonzalez Rubio, who have been made personally to appear before the government, as Presidents of other Missions, as well

as in the name of, and to represent the Most Rev. Father, Presidential Vicar, the absent Fray, Narciso Duran, being fully impressed with, and having well reflected upon all things requisite.

That the vast and immense landed property formerly belonging to the Missions, had been scattered or partitioned out to individuals, which at the epoch it was done was caused by the exigencies of the country.

That the pious and charitable institutions of social order for the conversion of the savages to Catholicism and to an agricultural and peaceful life, are reduced to the huertas and inclosures of the churches and buildings.

That the Most Rev. Ecclesiastics have no support but charity, and that the divine religion not prospering, barely sustains itself.

That the Indians, naturally lazy, from additional labor, scarcity of nourishment, and in a state of nudity, having no fixed employment or appointed Mission, prefer to keep out of the way and die impenitent in desert woods, to escape a life of slavery, filled with all privations and without the social joys.

That this continued emigration of the natives from the service of individuals to that of Missions, and from that of the Missions, to that of individuals, or to the woods, retards more and more, agriculture, and frightens off, instead of drawing together, the Gentiles from without the pale of our Holy Religion.

That in the administration of the Missions, there have been committed some frauds and notorious extravagance, which every inhabitant of California laments.

That as there is no other method of reanimating the skeleton of a giant like the remains of the ancient Missions, without falling back upon experience and fortifying it with the levers of Civil and Ecclesiastical power.

Now, everything well considered and naturally reflected upon, I have determined to decree the following articles:

No. 1. The Government Departmental, decrees to be "delivered up or restored" to the Most Rev. Fathers (who shall name the Ecclesiastic to be placed respectively in charge) the Missions of—

SAN DIEGO,  
SAN LUIS REY,  
SAN FERNANDO,  
SANTA BARBARA,  
SAN ANTONIO,  
SAN JOSE,

SAN JUAN CAPISTRANO,  
SAN GABRIEL,  
SAN BUENAVENTURA,  
SANTA CRUZ,  
LA PURISIMA,  
SANTA CLARA.

Which shall continue for the future, to be governed by the Most Rev. Fathers (they taking charge of the natives) in the same manner as they were before.

No. 2. The government considers what has been done to this date as irrevocable, the Missions can reclaim none of the lands granted prior to this date; and in reclaiming the cattle, chattels, and instruments of agriculture loaned by the Rev. Fathers, Curators, or Superintendents, they shall grant sufficient time and arrange with the debtors or holders, amicably.

No. 3. They shall likewise take care to collect the scattered neophytes or converts. First, those lawfully exempted by the Supreme Departmental Government. Second, those who at the date of this decree are provided for by individuals, it being however understood, that if any of both classes, wish and prefer to return to their respective Missions, they shall be admitted and received, with cognizance of the masters and the Most Rev. Missionaries.

No. 4. The Departmental Government, in whose possession up to this day have been the Missions, in virtue of the most ample powers with which it is invested, and referring to the aforesaid considerations, authorizes the Most Rev. Fathers to apply the products of the Missions to the necessary expenditures of the reduction, food, clothing, and other temporal wants of the Indians; and they shall likewise take from the same fund their own support, for the salary of the Mayordomo, and for the support of the divine religion, under the condition that they shall remain obligated by their word of honor and conscience, to deliver to the Treasury, upon notice to the Rev. Fathers, of this government, and the express order, in writing, of the undersigned Governor, Commanding-General, and Inspector of relief, sustenance, and clothing, of the troops and observances of the civil employees, the *eighth part* of the whole annual produce of every kind; keeping for the guidance of its Ecclesias-

tics a true and exact account at the end of the year, of the number of their converts, possessions real and personal, and of every description of produce or its corresponding value, which may belong to such Mission.

No. 5. The Departmental Government, which glories in religion as well as the whole of California, and in the same manner being interested as well as all and every one of the inhabitants of both Californias in the advancement of the Holy Catholic Faith and in the prosperity of the country, "dedicates itself," (or places at the disposition of "all its power,") in aid of the Missions, and in quality of General, commanding, the power of its arms, to protect, and defend, and sustain them, and in the possession and preservation of all the lands they may hold from this day, they shall be the same as the possessions and guarantees enjoyed by private persons, binding itself to make no new grants without the information of the respective authorities of the Most Rev. Ministers, notorious non-occupation, non-cultivation, nor necessity.

Dated 29th day of March, 1843.

ACT OF DEPARTMENTAL ASSEMBLY.

IN EXTRA SESSION, }  
August 24, 1844. }

The report of the Committee on Landed Property and War, instructed to point out the means of which the government might avail itself to defray the expenses of the war with which the country is threatened by a foreign nation—in which report are five articles in relation to the Missions of Upper California, as the only available resources under existing circumstances—having been taken under consideration, the five articles named were debated *seriatim*, and unanimously approved, it being decided that the original of the report referred to, should be

recorded among the acts of the present session, a copy thereof being given to the Governor of the Department for his information, to be published when he should deem proper, in order to prevent abuses in these matters.

**MOST EXCELLENT ASSEMBLY :**

The special committee appointed to report with regard to the means which are presented in the communication of the Governor of the Department of the 12th inst., for the subsistence of the auxiliary forces raised by him in consequence of the probability of a war between our nation and the United States of the North, states that it has considered the subject with the greatest attention, and that in weighing its reflections it has not been able to decide; but taking into view the critical situation of the country, threatened with the loss of her rights and liberty, and looking to the exhausted condition of the national treasury and the necessity of finding out means of security and defense, the only safe course pointed out by the committee to reduce the demands upon the government for that object, is to have recourse to the Missions, as well because they are going to ruin, being entirely out of employment, as because they should be regarded as the property of the nation, after providing suitably for their respective neophytes. It presents for your deliberation the following articles :

1. The Superior Government of the Department may expose to sale, hypothecate, or lease the property, chattels, and cultivated lands of the Missions of Upper California, including the extent from San Diego to Sonoma, and dispose of them to defray the expenses of the war, their respective legal debts being first paid out of the price they may bring.

2. The Mission of Santa Barbara, which shall exist as an episcopal palace, its neophytes being taken care of; that of Santa Ynez, as a college of instruction in the higher branches of study for the youths of California; and whatever else the government shall reserve for the national crops necessary for the subsistence of the troops, shall be excepted.

3. The government shall fix the time, manner, and form, in which the said sale, hypothecation, or leasing, is to be effected, and shall order a prudent division of such of the movable

property as is most useful among the neophytes, respectively, giving them lands.

4. The government shall have power to except entirely the debts which some private individuals owe to the said Missions, and dispose of them for the same object as the rest, of which the first article speaks.

5. The Missions, when sold, shall hold thereafter the character of villages; and those which are hypothecated or rented, if they be occupied by the government, as departmental property—it being provided in the regulation which is made that what is proper—shall be set apart for its support, the emoluments of the Right Reverend Fathers, proper public worship, and the spiritual aid of the villages.

ACT OF DEPARTMENTAL ASSEMBLY, 21ST APRIL, 1845.

*Pio Pico, Senior Vocal of the Honorable Assembly and Governor, ad interim, of the Department of the Californias:*

To the inhabitants—Know ye, that the Excellent Departmental Assembly has convened and decreed the following:

1. The government, with the least delay, will demand exact information of all the persons having charge of the Missions in order that they may give it truthfully, of active and passive debts, showing the resources they have to pay the passive ones.

2. The government, from the publication of the present decree, will suspend until a convenient time the granting of the lands immediately contiguous to the Missions, considering that some of them are indispensable or reserved and appropriated under the class of common lands.

3. Likewise, the government will suspend hereafter the giving to the civilized Indians any free letter, until some decisive

measures may be taken upon the footing on which the Missions must remain.

4. The government will direct the information to the Rev. Father Prefects, in order through them, that these Prefects may direct to the Reverend Fathers in whose charge are the Missions, in order that they may restrain any sale of the useful movables of the establishments under their charge; likewise such other things as are necessary to them. Let it be understood by the Governor of the Department that he will dispose, that it will be complied with, published, and circulated.

## EXHIBIT XVII.

DECREE OF THE DEPARTMENTAL ASSEMBLY OF MAY 28TH, 1845,  
RESPECTING THE RENTING OF SOME OF THE MISSIONS, AND  
CONVERTING OTHERS INTO PUEBLOS, ETC.

Article 1. The Departmental Government shall call together the Indians of the Missions of San Rafael, Dolores, Soledad, San Miguel and La Purisima, which are abandoned by them, by means of a proclamation, which it will publish, allowing them the term of one month from the day of its publication in their respective Missions, or in those nearest to them, for them to reunite for the purpose of occupying and cultivating them; and they are informed that, if they fail to do so, said Missions will be declared to be without owners (*mostrencas*) and the As-

sembly and Departmental Government will dispose of them as may best suit the general good of the department.

Art. 2. The Carmelo, San Juan Bautista, San Juan Capistrano, and San Francisco Solano shall be considered as pueblos, which is the character they have at present; and the government, after separating a sufficient locality for the Curate's house, for churches, and appurtenances, and court-house, will proceed to sell the remaining premises at public auction in order to pay their respective debts; and the overplus, should there be any, shall remain for the benefit and preservation of divine worship.

Art. 3. The remainder of the Missions as far as San Diego, inclusive, may be rented out at the option of the government, which will establish the manner and form of carrying this into execution, taking care in so doing that the establishments move prosperously onward. These respective Indians will consequently remain in absolute liberty to occupy themselves as they may see fit, either in the employment of the renter himself, or in the cultivation of their own lands which the government will necessarily designate for them, or in the employ of any other private person.

Art. 4. The principal edifice of the Mission of Santa Barbara is excepted from the renting mentioned in the foregoing article; and the government will arrange in the most suitable manner, which part thereof shall be destined for the habitation and other conveniences of his Grace the Bishop and his suite, and which for the Reverend Missionary Padres who at present inhabit said principal edifice. And likewise one-half of its total rent of the other property of the Mission shall be invested for the benefit of the church, and for the maintenance of its minister, and the other half for the benefit of its respective Indians.

Art. 5. The products of the rents, mentioned in Article 3, shall be divided into three equal parts, and the government shall destine one of them for the maintenance of the Reverend Padre Minister and the conservation of divine worship; another for the Indians; and the last shall necessarily be dedicated by government towards education and public beneficence, as soon as the legal debts of each Mission be paid.

Art. 6. The third part mentioned in the 5th Article as destined for the maintenance of the priests and help towards divine worship, shall be placed at the disposal of the Reverend Prelates, for them to form a general fund, to be distributed equitably in the before-mentioned objects.

Art. 7. The authorities or ecclesiastical ministers, should there be any in the Missions referred to in Article 1, or those in the nearest Missions, or persons who may merit the confidence of government, will be requested by said government to see that the proclamation above-mentioned be published, and to give information immediately whether the said neophytes have presented themselves or not, within the period fixed, in order that, in view of such documents, the necessary measures may be taken.

Art. 8. Government will, in the strictest manner, exact the amount owing by various persons to all the Missions in general, as already ordered by the Most Excellent Assembly in its decree of the 24th August, 1844, and dispose of the same for the object mentioned in the last part of the 5th Article.

### EXHIBIT XVIII.

ACT OF DEPARTMENTAL ASSEMBLY, 28TH OCT., 1845.

#### OF ALIENATION.

Article 1. There will be sold in this Capital, to the highest bidder, the Missions of San Rafael, Dolores, Soledad, San Miguel, and La Purisima, which are abandoned by their neophytes.

Art. 2. Of the existing premises of the pueblos of San Luis Obispo, Carmelo, San Juan Bautista, and San Juan Capistrano, and which formerly belonged to the Missions, there shall be separated the churches and appurtenances; one part for the Curate's house, another for a court-house, and a place for a school, and the remainder of said edifice shall be sold at public auction, where an account of them will be given.

Art. 3. In the same manner will be sold the property on

hand belonging to the Missions—such as grain, produce, or mercantile goods—giving the preference for the same amount to the renters, and deducting previously that part of said property destined for the food and clothing of the Reverend Padre Minister and the neophytes until the harvest of next year.

Art. 4. The public sale of the Missions of San Luis Obispo, Purisima, and San Juan Capistrano shall take place on the first four days of the month of December next, notice being previously posted up in the towns of the department inviting bidders, and three publications being made in the Capital at intervals of eight days one from the other before the sale. In the same manner will be sold what belongs to San Rafael, Dolores, San Juan Bautista, Carmelo, and San Miguel on the 23d and 24th of January, next year.

Art. 5. From the date of the publication of these regulations, proposals will be admitted in this Capital to be made to government, which will take them into consideration.

Art. 6. The total proceeds of these sales shall be paid into the departmental treasury, to pay therewith the debts of said Missions; and should anything remain, it will be placed at the disposal of the respective Prelate for the maintenance of religious worship, agreeably to Article 2 of the decree of the Departmental Assembly.

#### OF RENTING.

Art. 7. The Missions of San Fernando, San Buenaventura, Santa Barbara, and Santa Ynez, shall be rented out to the highest bidder for the term of nine years.

Art. 8. To this end bidders shall be convoked in all the departments, by fixing advertisements in the town, in order that by the 5th December next they may appear in this Capital, either personally or by their legal agents.

Art. 9. Three publications shall be made in this Capital at intervals of eight days each, before the day appointed for the renting, and proposals will be admitted on the terms expressed in Article 5.

Art. 10. There shall be included in said renting all the lands, out-door property, implements of agriculture, vineyards, orchards, workshops, and whatever according to the inventories

made, belongs to the respective Missions, with the mere exception of those small portions of land which have always been occupied by some of the Indians of the Missions.

Art. 11. The buildings are likewise included, excepting the churches and their appurtenances, the part destined for the Curate's house, the court-house, and place for a school. In the Mission of Santa Barbara no part of the principal edifice shall be included which is destined for the habitation of his Grace the Bishop and suit, and the Reverend Padres who inhabit it; and there shall be merely placed at the disposal of the rentor, the cellars, movables and workshops, which are not applied to the service of said Prelates.

Art. 12. As the proceeds of the rent are to be divided into three parts, to be distributed according to Article 5 of said decree, the rentor may himself deliver to the respective Padre, Prefect, or to the person whom he may appoint, the third part destined for the maintenance of the Minister and the religious worship; and only in the Mission of Santa Barbara, the half of said rent money shall be paid for the same object, in conformity with the 4th Article of the decree of the Departmental Assembly.

Art. 13. The government reserves to itself the right of taking care that the establishments prosper; in virtue of which it will prevent their destruction, ruin, or decline, should it be necessary during the period of renting.

Art. 14. The renting of the Missions of San Diego, San Luis Rey, San Gabriel, San Antonio, Santa Clara, and San José shall take place when the difficulties shall be got over which at present exist with respect to the debts of those establishments, and then the government will inform the public; and all shall be done agreeably to these regulations.

#### ADVANTAGES AND OBLIGATIONS OF THE RENTORS.

Art. 15. The rentors shall have the benefit of the usufruct of everything delivered to them on rent according to these regulations.

Art. 16. The obligations of the rentors are: 1st. To pay promptly and quarterly when due the amount of rent. 2d. To deliver back, with improvements, at the expiration of the nine

years, whatever they may receive on rent, with the exception of the stills, movables and implements of agriculture, which must be returned in a serviceable state. 3d. They shall return at the same time the number of cattle which they receive, and of the same description, and of such an age as not to embarrass the procreation of the following year. 4th. They shall give bonds to the satisfaction of government before they receive the establishments, conditioned for the fulfillment of the obligations of the renters—one of which is the payment of the damages which the government may be obliged to find against them, agreeably to Article 13.

#### OF THE INDIANS.

Art. 17. The Indians are free from their neophytism, and may establish themselves in their Missions or wherever they choose. They are not obliged to serve the renters, but they may engage themselves to them, on being paid for their labor, and they will be subject to the authorities and to the local police.

Art. 18. The Indians radicated in each Mission shall appoint from among themselves, on the first of January in each year, four overseers, who will watch and take care of the preservation of public order, and be subject to the Justice of the Peace to be named by government in each Mission, agreeably to the decree of 4th July last. If the overseers do not perform their duty well they shall be replaced by others, to be appointed by the Justice of the Peace, with previous permission from government, who will remain in office for the remainder of the year in which they were appointed.

Art. 19. The overseers shall appoint, every month, from among the best of the Indians, a sacristan, a cook, a tortillamaker, a vaquero, and two washerwomen, for the service of the Padre Minister, and no one shall be hindered from remaining in this service as long as he choose. In the Mission of Santa Barbara, the overseers will appoint an Indian to the satisfaction of the priest, to take care daily of the reservoir and water conduits that lead to the principal edifice, and he shall receive a compensation of four dollars per month, out of the rent belonging to the Indians.

Art. 20. The Indians who possess portions of land, in which they have their gardens and houses, will apply to this government for the respective title, in order that the ownership thereof may be adjudicated to them, it being understood that they cannot alienate said lands, but they shall be hereditary among their relatives, according to the order established by the laws.

Art. 21. From the said Indian population, three boys shall be chosen as pages for the Priest, and to assist in the ceremonies of the church.

Art. 22. The musicians and singers who may establish themselves in the Missions shall be exempt from the burdens mentioned in Article 18, but they shall lend their services in the churches, at the masses, and the *funciones* which may occur.

#### OF THE JUSTICES OF THE PEACE.

Art. 23. The Justices of the Peace shall put in execution the orders communicated to them by the nearest superior authority; they will take care that veneration and respect be paid to matters appertaining to our religion and its Ministers, and that the 18th and 20th articles, inclusive of these regulations, be punctually fulfilled; they will see that no one be hindered in the free use of his property; they will quiet the little disturbances that may occur, and, if necessary, impose light and moderate correction; and if the occurrence should be of such a nature as to belong to the cognizance of other authorities, they will remit to such authorities the criminals and antecedents.

ACT OF THE DEPARTMENTAL ASSEMBLY OF THE 30TH OF MARCH  
1846, RESPECTING MISSIONS.

Article 1. The government is authorized to carry into effect the object of the Decree of 28th May last, published by this Honorable Assembly, respecting Missions; to which end, seeing the impracticability of renting, mentioned in Article 3

of said Decree, the Departmental Government will act in the manner which may appear most conducive to obviate the total ruin of the Missions of San Gabriel, San Luis Rey, San Diego, and the remainder which are in similar circumstances.

Art. 2. As most of these establishments are owning large amounts, if the property on hand should not be sufficient to satisfy their acknowledged debts, attention shall be had to what the laws determine respecting bankruptcies, and steps shall be taken accordingly.

Art. 3. Should government, by virtue of this authority, find that in order to prevent the total ruin which threatens said Missions, it will be necessary to sell them to private persons; this shall be done at public auction, the customary notice being previously given.

Art. 4. In case of sale, if after the debts be paid, any surplus should remain, this shall be divided among the Indians of the premises sold, government taking care to make the most just distribution possible.

Art. 5. In any case, care must be taken to secure a sufficient amount for the maintenance of the Padres and the expenses of public worship, the government being at liberty to separate a part of the whole establishments, whether in lands for cultivation, landed or other property, at its discretion, which will be sufficient to secure both objects, the respective Priest being previously heard and attended to.

Art. 6. The premises set apart according to the foregoing article, shall be delivered as a sale at a perpetual interest of four per cent.; and the proceeds shall be applied precisely to the objects mentioned in said Article 5.

Art. 7. What has hitherto been done agreeably to what was ordained in the Decree of the Honorable Assembly of 28th May before cited, remains in full force; and these presents shall in no manner alter the contracts made and measures taken by government in accordance with said Decree of May, 1845; nor shall they in future put any obstacle in the way of what may be done in accordance thereto.

Art. 8. The government will remove any obstacles not foreseen in this Decree; and in six months, at furthest, will notify this Honorable Assembly of the result of its fulfillment.

*The Citizen José Maria Flores, Captain of Cavalry in the Mexican Army, Governor and Commandant-General ad interim of this Department to its Inhabitants.*

Know ye, that the Honorable Departmental Assembly in an Extraordinary Session of yesterday, has decreed the following:

The Most Excellent Departmental Assembly, taking into consideration the urgent necessity of providing resources for carrying on the war against the invading forces of the United States of North America, and finding that the only way of obtaining them in a sure and prompt manner is to solicit a loan, has in this day's session found it expedient to decree the following, viz:

2. His Excellency, the Governor *ad interim*, is authorized to solicit a loan of such amount as he may consider necessary for the object indicated, it being stipulated that, in accomplishing this act in the most equitable and just manner, he may mortgage one or more of the Missions for the corresponding security.

2d. In those departments where, in consequence of opposition to the present state of things, the Assemblies are dissolved, the respective Governors, with the approval of the Supreme Government, shall appoint such persons as they may deem competent to compose them, it not being just or convenient that the departments suffer the want of the important services which those bodies should render them.

1°. Se autoriza al Gobierno para que haga efectivo el objeto del decreto de 28 de Mayo del año p°. p°. expedido por esta Honorable Asamblea relativo á Misiones: y á cuyo fin en lo impracticable del arriendo prevenido en el artº 3º de dicho decreto, el Gobierno del Departamento obrará del modo que crea ser mas conveniente para evitar la ruina total de las Misiones de San Gabriel, San Luis Rey, San Diego y las demas que se hallan en iguales circunstancias. Sin discusion fue aprobado.

2°. Como los demas de dichos establecimientos tienen grandes creditos en su contra, si sus existencias no fuesen suficientes á cubrir sus deudas calificadas, se tendrá presente lo que dispo-

nen las leyes con respecto á quiebras y se procederá conforme á ellas. Sin discusion fue aprobado.

3°. Si de la autorizacion del Gobierno resultare que este, para evitar la total destruccion á que caminan las dichas misiones, determinase la venta de ellas á particulares, te verificará á remate publico precediendo los avisos acostumbrados. Sin discusion fue aprobado.

Sin discusion fue aprobado.

6°. Las fincas que se determinen conforme al precedente Artº seran entregadas, como en venta à censo perpetuo, al cuatro por ciento. Este producto previamente será aplicable a lo que previene el mismo articulo 5°. Sin discusion fue aprobada.

7°. Queda en todo su valor y fuerza lo practicado hasta ahora, segun lo dispuso el decreto de la Honorable Asamblea de 28 de Mayo citado, y el presente en nada alterará los contratos y disposiciones tomados por el Gobierno con arreglo al propio decreto de Mayo de 1845, ni para lo sucesivo impedirá lo que se pueda practicar conforme à él. Sin discusion fue aprobado.

8°. El Gobierno salvará los inconvenientes que no se hayan podido prever por el presente decreto; y à lo mas dentro de seis meses mientras dure su ejecucion, dará cuenta à esta Honorable Asamblea de los resultados en su cumplimiento. Sin discusion fue aprobado.

Y no habiendo otra cosa de que ocuparse por hoy, se levantó la sesion, à que no asistieron los Señores Abrego, por hallarse enfermo; Botello, por tener licencia; y Noriega ausente en comision del Gobierno Departamental. Entre renglones "dure" vale.

SESSION OF }  
30th of March, 1846, }

The record of 23d of March having been approved, the report of the Committee on Missions was read. They made several remarks in connection therewith, touching the plan of a decree presented by Señor Bandini in the preceding session in regard to the Missions, and concluded with the motion that the plan presented by said Bandini, be fully discussed on the basis in which it was presented. The Chairman of said Committee, protesting that he cannot vote for it as it does not meet his views. It was then moved by Señor Figueroa, that the second reading of the aforementioned report of said Committee on Missions be dispensed with, which was approved. Señor Arguello then said that, not agreeing with the matters expressed in the second paragraph of the report, he gave notice that his vote would be withheld until after discussion of the whole subject, and thereupon moved that the proposition mentioned by Señor Bandini, which concluded with the following articles, be so discussed :

1st. The Executive of this Department is hereby authorized to carry into effect the objects of the decree of 28th of May of last year, passed by this Honorable Assembly, relating to Missions,—that, where it is impracticable to rent them, as provided in Article 3 of said last mentioned decree, said Executive shall proceed in what it believed to be the most efficient manner to obviate the total ruin of the Missions of San Gabriel, San Luis Rey, and San Diego, as well as all others that were in the same situation. Approved without discussion.

2d. As the other remaining establishments are largely indebted, if the present amount of property belonging to the same should be insufficient to liquidate all the qualified debts thereof, then proceedings shall be had in conformity with law concerning insolvents. Approved without discussion.

3d. If by the authority hereby conferred, the Governor, in order to prevent the total destruction to which said Missions are tending, should determine to sell them to private individuals, it shall be done at public auction, giving the usual notice thereof. Without discussion approved.

4th. In case of sale, after the debts have been satisfied, should there be any surplus remaining therefrom, it shall be divided among the Indians of the establishments so sold—the Executive having the right to prescribe the manner in which the distribution shall be made, most compatible with justice. Approved without discussion.

5th. In all cases, it shall be necessary to secure the subsistence of the Reverend Fathers, and the expenses of divine worship, for which the Executive shall be empowered to set apart a portion from the property for that purpose, either in arable lands, other real estate, or property of any other kind, which in his opinion, after hearing and consulting with the respective Priests, may best secure both objects. Approved without discussion.

6th. The establishments that may be disposed of agreeably to the preceding article shall be delivered as sold subject to a perpetual contribution of four per cent. This income shall be preferably applicable to the uses referred to in the same Article 5th. Approved without discussion.

7th. Whatever has been done up to this time remains in full force and vigor, as provided by the Decree of the Honorable Assembly of the 28th of May aforesaid, and the present decree shall in no manner alter any contracts or arrangements made by the Executive in conformity with said decree of 28 May, 1845, nor shall it hereafter prevent in any manner anything that may be done in conformity thereto. Without discussion approved.

8th. The Executive will reserve the right to obviate all inconveniences that may arise within the present decree which cannot now be foreseen, and within six months after sales he shall report to this Honorable Assembly, the results touching this decree. Without discussion approved.

There being no other matter to occupy the Hon. Assembly this day, it thereupon adjourned. There being absent Señor

Leida y aprobada la acta del dia 30 de Marzo p<sup>o</sup>. p<sup>o</sup>., se dio cuenta con el nombramiento que, para Gobernador Constitucional de este Departamento, hizo el Exmo. S<sup>or</sup>. Presidente de la Republica, en la persona del Exmo. S<sup>or</sup>. Don Pio Pico à virtud de la propuesta que elevó la corporacion en 27 de Junio anterior. Quedó impuesto el Honorable Cuerpo de la Suprema determinacion, y à consecuencia de haber manifestado El Exmo. S<sup>or</sup>. que preside hallarse apto para prestar el juramento de la ley, y que por tanto se le señalase el dia que le habia de hacer, hubo lugar à una detenida discusion con motivo de que no habia numero suficiente de individuos en la Asamblea ante quien debe verificarse tal acto, y resultó por conclusion, considerando ser urgente el asunto, que se admitiese la siguiente proposicion que hizo el S<sup>or</sup>. Bandini :

“Mientras se cumple el termino de las licencias que se les ha concedido por este Honorable Cuerpo à dos de sus vocales, le llamarà al suplente que esté mas inmediato à esta Capital, si empre para que haya numero competente.”

Puesto à discusion y estando lo suficientemente, se aprobó à unanimidad.

Se dio cuenta igualmente con lo siguiente, una comunicacion oficial del Ministerio de Relaciones, fecha 14 de Noviembre ultimo, dirigida al Gobierno Departamental en la que por disposicion superior, se le pide informe sobre lo que haya determinado con respecto à Misiones, que se sabe han sido puestos

à publica subasta los bienes de ellas que se habian entregado à los Padres para el manejo de temporalidades, y que entre tanto se dé dicho informe, se suspenda todo procedimiento en cuanto à enagenacion de los bienes referidos.

Se acordó por la corporacion que siendo esta nota directa al Gobierno del Departamento, se le devolviese para que manifestàra su sentir y entonces pudiera atenderse el asunto.

Con el Soberano decreto de sies de Agosto que señala la asignacion de rentas à los departamentos. Enterado.

Con una circular de Ministro de Relaciones, fecha 21 de Octubre pasado, relativa à que se organice la fuerza de policia que debe haber en cada poblacion, y està determinada por las bases organicas, teniendo la Asamblea facultad por el articulo 134, en su parte 19ª. de decretar la que debe haber en el Departamento y reglamentar su servicio conforme à la parte citada. Se mando pasar à la comision de Policia.

Con un oficio de la Comandancia-General de este departamento, fechado en Monterey, à 17 de Marzo, en el que se adjunta una proclama à que se dio igualmente lectura, dirigida à los habitantes à consecuencia de los acontecimientos habidos por los puntos del norte con el Capitan de los Estados Unidos, Don J. C. Fremont, conteniendo dicho oficio un pàrrafo por el cual se advierte que la Comandancia-General previene que no habiendo pasado el Exmo. S<sup>or</sup>. Gobernador à hacer la visita à aquellos lugares como ha solicitado para que à ella se hubiera unido à fin de operar, va à proceder conforme à las ordenes supremas que tiene à la vista, para impedir las miras de los aventureros que se introducen por aquella frontera. Enterada la corporacion, usó de la palabra el S<sup>or</sup>. Bandini, y pronunció un discurso por el cual repugnaba los procedimientos del S<sup>or</sup>. Comandante-General, poniendo en claro el uso abusivo que hace de su autoridad esta persona, sin miramiento alguno ni atencion al respecto obligatorio que le imponen las leyes, y concluyó proponiendo que el Gobierno le conteste, con decoro al mismo tiempo que con la arrogancia y energia que demanda un hecho tan escandaloso como el que se ha consumado. Y no habiendo otro asunto mas que tratar, se levantó la sesion.

SESSION OF  
15th of April, 1846. }

Read and approved the Record of March 30th, last past. The subject of the appointment of Constitutional Governor of this department by his Excellency the President of the Republic, conferred on his Excellency, Don Pio Pico, approving the action of this body which elevated him to that station on the 27th of June last was taken up for consideration. The supreme determination now being known to this Honorable Body, and his Excellency presiding having given notice that he is ready to take the oath of office, and having appointed the day for so doing, a long discussion took place in consequence of there not being a sufficient number of members in the Assembly before whom such an action has to be verified, and considering the urgency of the case, the following proposition was submitted by Señor Bandini:

“That until the termination of the leave of absence granted by this Honorable Body to two of its members, the nearest alternates to this Capital shall be summoned, to make the number complete,” which being fully discussed and sufficiently understood, was unanimously approved.

The official communication of the Minister of Relations, under date of November 14th, last past, directed to the Executive of this department, was acted upon, in which the Minister asks for information, concerning what had been determined or done in respect to the Missions; that information had been received that the property belonging to them, which had been delivered to the Priests for the management of their temporalities, had been put up at public auction and sold, and that until such information as asked for could be given, to suspend all proceedings relating to the alienation of the aforesaid property. Whereupon it was considered that its being a note addressed directly to the executive of this department, that before any action be had upon it by this body, it be referred back to him for an expression of his opinion thereon.

The sovereign decree of the 6th of August, determining the

distribution of the public revenue among the Departments was also taken up. Duly considered and filed.

A circular from the Minister of Relations was next considered, under date of October 21st, last past, relative to the organization of a police force in every village of the departments, as required by the organic bases; the Assembly deriving authority from clause 19, Art. 134, to determine by law how large a force is necessary for the department and to regulate its duties agreeably to said clause. Referred to Committee on Police.

The reading an official dispatch from the Comandancy-General of this department, dated at Monterey, March 17th, to which was subjoined a proclamation, also read, addressed to the inhabitants, setting forth what had taken place at the north with Capt. J. C. Fremont, of the United States. Said dispatch also contained a paragraph stating that as his Excellency, the Governor had not visited the principal points at the north, as solicited by the Commandant-General for the purpose of co-operating together, that he will proceed in conformity with general orders at hand and frustrate the views of those adventurers that enter the country by that frontier; which, having been heard by this body, Señor Bandini delivered a speech condemning the proceeding of the Commandant-General, showing clearly the abusive manner in which he had made use of his authority, being without any regard or attention to the obligations the laws impose upon him, and recommended the Executive should answer him respectfully, but with the dignity and energy which so scandalous an act as he had committed demanded. And there being nothing else before the session, it therefore adjourned.

AGUSTIN OLVERA, Secretary.

PIO PICO,  
President.

In continuation, on the same day, month, and year, I, the Justice of the Peace of San Luis Obispo, accompanied by the assisting witnesses and other persons afore-mentioned, went to the dwelling-house of the parish Minister of this pueblo, for the purpose of commencing the measurements of the main building, and after having set apart for said Curate six good rooms and two halls which are united in one place, notwithstanding the division of rooms, for his dwelling and other convenient purposes, the measurers took the cordel by its extremities and stakes, and measured; from the principal door through which they pass to enter the plaza, fifty-six Spanish varas to the south-west corner of the building, in which distance and in the same range were ten good rooms for dwelling, of which the two which are at the corner where the measurement terminated, were set apart for town hall and jail; thence the measurement was continued along the wall to the north-west corner, ninety-two Spanish varas, in which are included one gallery in good order and another without roof; then the measurement was continued ninety Spanish varas to the north-east corner, in which distance in the same range outside are four good rooms; thence to the large gate next to the wall of the church, twenty-three Spanish varas in which are two good rooms. I then passed into the plaza of said building with the aforesaid persons, and the measurers taking the cordel, measured south-west to the corner thirty-six varas, in which are three useful rooms; and then continuing to the north-west along the wall, the measurement ended in a corner distant fifty-eight Spanish varas, including one useful and one useless gallery; thence north-east to the corner which is in that direction sixty Spanish varas, with five good rooms contained in it; thence directing the measurement to the large gate behind the church twenty-three varas, containing two rooms without roofs. The measures being thus ended and the bounds and lines to which they are subject designated, Señor Wilson being made to under-

stand that the square of the plaza with the trees which are in it, and also the three stone corrals belonging to these buildings are his property, to perfect the act, in a loud voice I said to him: In the name of the Mexican Nation, I give you possession of the part of this building and the stone corrals which you have purchased, and which have just been measured; and directing him to make some demonstration of having acquired the useful and direct dominion and as such the ownership of said buildings, as owner and lord of them, he threw stones and dug earth with which the act was concluded, the interested party having asked that these original official acts be returned to him, and in testimony thereof I signed with assisting witnesses.

This government having received the offer of Mr. Richard S. Den, for the purchase of the Mission of Santa Barbara with all things appertaining thereto, for the sum of seven thousand five hundred dollars, besides binding himself to provide maintenance for the Missionary Priest. Acting in conformity with the decree of the Honorable Departmental Assembly of the 13th April last, after having examined and considered everything requisite in this matter, I have resolved to make a genuine and effective sale of the Mission of Santa Barbara, with all its property, tenements, stock, and lands (that do not belong to private individuals), to Richard S. Den, by virtue of the payment of the sum of seven thousand five hundred dollars, which he has delivered to this Departmental Government; excepting from the sale, the church and its appurtenances, and also the rooms occupied by the Reverend Priest who lives there, and on the following conditions:

1st. He shall respect the property of the Indians who may be established there, he shall neither molest, or dispossess them in virtue of this sale.

2d. He shall mark out the lands which the Indians wish to cultivate for their own benefit, giving them dominion over the same. He shall not prevent their placing stock on those places which are convenient, on condition that they shall not confer

these privileges to any other person, and in case of abandonment they shall remain for the benefit of the purchaser.

3d. He shall provide the necessary subsistence for the Reverend Minister, and for the preservation of divine worship.

4th. So soon as the nine years are completed for which the Mission is rented he shall take possession of the same, in the interim he cannot dispose of any part of the property without the consent of the lessees.

I therefore declare, by these presents, that Richard S. Den is the legitimate owner of the aforesaid Mission of Santa Barbara on the terms and conditions expressed herein, with which he is satisfied, and for perfect evidence at all times, I give this document, as a genuine title deed which will be acknowledged and respected by all the civil and military authorities of the Mexican Nation in this and every other department, and likewise by the General Government, being duly legalized by my signature, and that of my Secretary of State, on this common paper for the absolute want of stamped paper, in Los Angeles, on the 10th day of June, 1846.

MINISTRY OF WAR AND MARINE, }  
SECTION OF PRINCIPAL. }

Excellency:—To the General Commander of California, I  
this day communicate as follows:

“The preparations which the United States are making, and  
the approach of the naval forces toward our ports, leave no  
doubt that war with that power is about breaking out, and  
as His Excellency, the President *pro tem.* is resolved to sustain  
the rights of the nation, he wishes that in all the ports of the  
Republic where the enemy may present itself, a rigorous de-  
fense be made, capable of giving honor and glory to the na-  
tional flag. For that object and until the Supreme Govern-  
ment appropriates and sends you the necessary means, it relies  
upon your patriotism and fidelity to dictate the measures which  
you may judge necessary for the defense of that department,  
for which purpose you and His Excellency ‘are invested with  
full powers.’

And I have the honor to transcribe the same to you, for your  
cognizance, hoping that you on your part, will leave no efforts  
to preserve entire the rights of the nation.

"Mission of San Luis Obispo"

No 324 L.C.

Now comes J. R. Mitchell U.S. District Attorney  
for the Southern District of California and  
moves the Court to set aside the decree her-  
etofore rendered and grant a rehearing in  
this cause upon the following grounds.

1<sup>st</sup> Because of newly discovered evidence which  
tends to the decree of confirmation in said  
cause was improvidently entered.

2<sup>nd</sup> Because of newly discovered evidence  
which tends to show that the sale or grant  
of the lands claimed in this cause was made  
without any fraud or artifice on the part  
of the purchaser and that the same is absolute  
by law.

Juan Martinez being duly sworn upon his oath, says, that for several months past he has been in the employment of the United States Government, as special counsel in what are known as the Mission cases pending in the District Courts of the United States, for the Northern and Southern Districts of California; that during the investigations of this affair in the office of the United States Surveyor General for the State of California with a view of preparing the above mentioned cases for trial, he has discovered various laws, orders and decrees of the Supreme Government of Mexico, and various laws, orders and decrees of the Departmental Government of the California, and various correspondence between the Governments aforesaid, which clearly shows, as affiant verily believes that the Surveyors of the California had no power or authority to make the sale

as grant in this case, and that the same is ab-  
solutely void.

Affiant further says that the  
laws, orders, decrees, and correspondence of the  
series, are being copied, translated and printed  
for the purpose of making exhibits of the same  
in the various Mission cases still pending in  
the District Courts of America, and that if a re-  
-hearing is granted herein, the United States will  
be able to show that the aforesaid grant or  
sale is absolutely void.

And further affiant swears  
not.
