Explanatory notes as to amounts for 1950–51:

Salaries: Amounts indicate the annual salary *rates* for the appointees or their predecessors, but not necessarily the actual budget appropriations for 1950–51.

General Assistance, Supplies and Expense, Equipment and Facilities, and Special Items: Amounts shown indicate the budget appropriations for 1950–51, exclusive of balances brought forward from the previous year. No amounts are shown for items in 1950–51 for which no appropriations are to be made for 1951–52.

* Academic appointees on so-called eleven months basis are indicated by asterisk in salary column.

Annual Provision, Pension and Retiring Annuities Systems

To provide for regular installments:		
Retiring Annuities System		
Normal Contributions, 7%	$875,400.00	
Additional Contributions, 2.52%	315,200.00	$1,190,600.00
Pension System (1949 valuation basis)		
Retiring Annuities System 7% Contributions (estimated)	$ 27,300.00	
Pension Fund	37,200.00	$64,500.00
		$1,340,474.84

† Benefits under the Pension and Retiring Annuities Systems are provided through annuity policies purchased under the regulations, the amounts shown being the normal allowances under either or both systems. The sums actually received by the beneficiaries in several cases are less than the normal allowances due to the selection of optional benefits.

* Amounts shown in parentheses represent retirement allowances provided under the State Employees' Retirement System but not included in the totals.

‖ Special case—emeritus title authorized by the Regents.

‡ Separate annuities to be provided by the Carnegie Corporation under the present retirement plan of the Carnegie Foundation.
