Dear Professor Stern:

Many thanks for your kind letter of December  
18th, 1944.

We are very sorry to gather from your  
letter that, in a measurable space of time,  
you will not be able to dispose of the  
necessary time to hold a lecture before  
our group. However, should you be present  
in New York at any date this season, we should  
highly appreciate if you would get in touch  
with us. We should be extremely glad to  
take up our suggestion once more, at the  
first opportunity that may arise.

In the meantime we remain with best  
regards

Sincerely yours,

A S E C
